FRAME

Mesh One's support frame is made using 125" x 625" (72cm x 16cm) 18-gauge oval steel tubing. Crossbars consist of bent 18-gauge oval tubing firmly welded to each leg.

FRAME FINISH

Finish is an electrostatically applied powder coat over a steel frame. Powder is cured in a computer-controlled oven for enhanced precision and extended durability.

RIPSTOP MESH

Commercial-grade elastomeric mesh is made in the USA and is bonded to the nylon seat and back frames using a proprietary bonding process. Ripstop mesh is tear, stain, fire, and abrasion resistant and is beach chair-ready.

BACKREST

Backrest frame is made of an injection molded nylon which is bonded to the Ripstop mesh. Back frame is attached to the top of the front legs of the chair through a system of glides and braces that lock into the oval steel tube.

SEAT

Seat is made of an injection molded nylon frame which is bonded to the Ripstop mesh. Seat is attached using 5/16" (8mm) zinc-plated rivets.

GLIDES

Feet are injection molded using a non-marking polypropylene to prevent streaking and scratching on floor surfaces. Feet color can be customized to match frame color.

PATENTED GLIDES & LEG CAPS

Leg caps are injection molded using a non-marking polypropylene to prevent frame or frame damage and assist in chairs nesting together.

FOLDING MECHANISM

Folding mechanism is a ratchet type - klego created through the structural nylon chair seat and 14-gauge stamped steel frame. Klego Mechanism is 100% polyethylene with 1/16" (8mm) diameter rivets.

GANGING

Ganging is available in the form of a steel frame with ganging or after-market ganging kit.

WALL MOUNT

Constructed from 11-gauge mild steel, the OneFides wall mount easily attaches inside closets, on the back of doors, or anywhere else it racks out of the way, offering convenient storage for 1-2 Mesh One folding chairs.

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. - 3.2 Contract Items and Mandatory Requirements:** Vendor shall provide Agency with the Contract Items listed below on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements as shown below.
- 3.2.1 Materials:** Contract Items A through R, are considered Materials. Materials from this contract SHALL ONLY be purchased when the pick up of those materials is by WVDOH forces or WV Parkways Authority forces.
- 3.2.2 Plant Run Asphalt, Contract Item R,** may be substituted for Contract Items A through Q only when the use of Plant Run has been requested by the WVDOH District Engineer, or their designee, having determined that the Plant Run material is suitable for use; and only when all other equivalent items of material are not available. All Plant Run material shall meet the Standard Specs, or in instances where the Plant Run material was produced for a neighboring state, must meet the specifications of the adjacent state highway department, unless otherwise deemed acceptable by the WVDOH District Engineer, or their designee.
- 3.2.3 Performance Grade Binder, Contract Item S,** is a surcharge to compensate the Vendor for supplying Asphalt when PG Binder is substituted for the standard binder.
- 3.2.4 Off-Season Plant Opening, Contract Item T,** is necessary if a Vendor is required to open their plant in the off-season to service the needs of the WVDOH, in which case an additional payment will be made. The Vendor will be paid an additional day charge for each additional consecutive day that the plant is open after the first day to service the needs of the WVDOH. If the plant produces no material for any use on any calendar day, either during the week or on the weekend, the WVDOH will pay the first day rate for off-season plant opening on the next day of the WVDOH usage. Payment for this item is subject to the following conditions:

REQUEST FOR QUOTATION
Asphalt Materials, Pick Up by Agency

3.2.4.1 Payment for this item can only be authorized and made during the winter months, i.e., between December 15th and March 15th, and then only if the plant would not have otherwise been open. These dates may be revised by the WVDOH District Engineer or their designee, if necessary, to meet specific needs in the field. Any such revision of dates will be in writing and shall be attached to the Vendor's invoice at the time payment is requested.

3.2.4.2 Payment will always be made at the full contract awarded bid price for the first day of plant opening; however, the amount paid from each additional day of plant opening will be reduced as follows:

A. Payment for additional day charge will not be made if the plant has produced over 500 tons on that day. If between 300 and 500 tons have been produced, payment for additional day charge will be made equal to one-half of the contract awarded bid price for the additional day charge. The quantity produced to make this determination shall include all material produced that day, which includes tonnage bought by the WVDOH, other local governments and all private work.

B. The WVDOH will only pay its share of the amount determined to be due for additional day charge as described above. For example, if the plant produces 375 tons and the WVDOH takes 150 tons of the total, 40% of the plant's daily production, payment for additional day charge would be calculated as follows: Since the total daily production is between 300 and 500 tons, the Vendor is due 50% of the additional day charge. Because the WVDOH's share of this daily production is 40%, the WVDOH would pay 40% of one-half of the additional day charge, or in this case, 20% of the additional day charges.

3.2.4.3 A certified statement shall accompany the invoice stating the total quantity produced on the additional day. If payment does not qualify due to tonnage produced, the next consecutive day of plant operation, if any, will qualify for payment at the additional day rate rather than the first day rate for plant opening.

Bill No. 7919 - A BILL to amend the Municipal Code of the City of Charleston, by adding thereto four new sections, designated Section 58-51, 58-52, 58-53, and 58-54, all relating to protecting the safety and health of Charleston residents—and promoting the public safety, health, welfare and good order of said residents—by prohibiting conversion therapy; defining terms; setting forth enforcement provisions, and stating penalties association with violation.

WHEREAS, West Virginia Code 8-12-2(a)(9) provides that the City of Charleston has plenary power and authority to adopt an ordinance not inconsistent or in conflict with the West Virginia Constitution, state code, or city charter, that provides for the government, protection, order, conduct, safety and health of persons or property; and

WHEREAS, West Virginia Code 8-12-5(23) and (44) provides that the City of Charleston's City Council has the plenary power and authority to adopt an ordinance that provides for the elimination of hazards to public health and safety and to abate or cause to be abated anything which is declared a public nuisance and to protect and promote the public safety, health, welfare and good order; and

WHEREAS, contemporary science recognizes that being lesbian, gay, bisexual, or transgender is part of the natural spectrum of human identity and is not a disease, disorder, or illness; and

WHEREAS, conversion therapy has been rejected by every major medical and mental health organization, including the American Psychological Association, American Psychiatric Association, American Medical Association, American Academy of Pediatrics, American Academy of Child and Adolescent Psychiatry, American Counseling Association, American Psychoanalytic Association, American School Counselor Association, American School Health Association, National Association of Social Workers, and the Pan American Health Organization; and

WHEREAS, conversion therapy leads to critical health risks including anxiety, depression, decreased self-esteem, substance abuse, homelessness, and suicide; and

WHEREAS, minors are especially vulnerable to the harms associated with conversion therapy; and

36
37 **WHEREAS**, the City has a compelling interest in protecting the physical and
38 psychological well-being of minors, including lesbian, gay, bisexual, and transgender
39 youth, and in protecting its minors against exposure to serious harms caused by
40 conversion therapy.

41
42 **Now, therefore, be it ordained by the Council of the City of Charleston:**

43
44 That the Municipal Code of the City of Charleston, as amended, is hereby amended to
45 add four new sections, designated Sections 58-51, 58-52, 58-53, and 58-54, all to read
46 as follows:

47
48 **CHAPTER 58. – HEALTH AND SANITATION.**

49 **ARTICLE III. – CONVERSION THERAPY ILLEGAL.**

50
51 **Section 58-51. Definitions.**

52
53 “Conversion therapy” means any practices or treatments that seek to change an
54 individual’s sexual orientation or gender identity, including efforts to change behaviors
55 or gender expressions or to eliminate or reduce sexual or romantic attractions or
56 feelings toward individuals of the same gender. Conversion therapy shall not include
57 counseling that provides assistance to a person undergoing gender transition, or
58 counseling that provides acceptance, support, and understanding of a person or
59 facilitates a person’s coping, social support, and identity exploration and development,
60 including sexual-orientation-neutral interventions to prevent or address unlawful
61 conduct or unsafe sexual practices, as long as such counseling does not seek to
62 change an individual’s sexual orientation or gender identity.

63
64 “Medical or mental health professional” means any individual who is licensed by
65 the City or State to engage in a profession related to physical or mental health,
66 including any interns, trainees, or apprentices who provide medical or mental health
67 services under the supervision of a licensed medical or mental health professional.

68
69 **Section 58-52. Conversion Therapy Prohibited.**

70
71 No person shall engage in conversion therapy with a minor within the City.

72
73 **Section 58-53. Enforcement.**

74
75 (a) The City Solicitor shall have the authority to enforce the provisions of this
76 ordinance. If the City Solicitor determines that a violation of this ordinance has
77 occurred, the City Solicitor or the City Solicitor’s designee may mail to the medical or
78 mental health professional written notice to immediately cease and desist the violation.
79 If the medical or mental health professional fails to immediately cease and desist, the
80 City Solicitor or the City Solicitor’s designee may impose a civil fine on the medical or
81 mental health professional as provided in Section 58-54 of this code.

82
83 (b) An individual who is the victim of an action in violation of this Article may bring
84 a civil action for appropriate injunctive relief or damages or both against the person or
85 persons who acted in violation of this Article. As used in this subsection, "damages"
86 includes damages for injury or loss caused by each violation of this Article, including
87 reasonable attorney fees.

88
89 **Section 58-54. Civil Penalty and Appeal Rights.**
90

91 (a) A violation of Section 58-54 of this code, if enforced by the City Solicitor or
92 the City Solicitor's designee pursuant to Section 58-53 of this code is punishable by up
93 to a \$1,000 fine for each violation. Each day in violation constitutes a separate offense.
94

95 (b) A person subjected to a civil penalty under this section may appeal the civil
96 penalty within ten days of its issuance to the municipal court. Prior to filing an appeal
97 with the municipal court, the person shall pay the required civil penalty in full to the City
98 Collector as bond pending evidentiary hearing before and resolution of the case by the
99 municipal court. The City Collector shall issue a receipt showing the amount of the bond
100 paid, which shall be attached with the appeal to the municipal court clerk. Failure to
101 properly effect appeal in a timely manner constitutes waiver of the right to contest the
102 civil penalty. A final decision from the municipal court may be appealed to circuit court
103 in the same manner as a tax appeal, as set forth in Section 110-115 of this code.
104

105 (c) Any civil penalties assessed, which remain unpaid within thirty days of a final
106 determination under this section shall be deemed past due and the City shall have all
107 remedies available to the City Collector for collection upon a delinquent debt.
