REPORTS OF COMMITTEES

COMMITTEE ON ORDINANCE AND RULES

1. Your committee on Ordinance and Rules has had under consideration the following resolution, and reports the same to Council with the recommendation that Resolution No. 582-21 be adopted.

Resolution No. 582-21 - Amending the Rules of Council by adding thereto a new rule, designated Rule No. 23, clarifying the process related to absences from Council meetings.

Now, therefore, be it Resolved by the Council of the City of Charleston, West Virginia:

That the Rules of Council be amended by adding thereto a new rule, designated Rule No. 23, to read as follows:

Rule No. 23. - Order of business at regular meetings; special order of business.

(a) The City Council hereby recognizes that the provision of Section 86 of the City of Charleston Charter that purports to automatically declare a member's office vacant if they have three consecutive unexcused absences have been superseded by state law. Namely, the West Virginia Legislature created a process for the removal of public officers, including members of City Council, that provides due process and is contained in West Virginia Code § 6-6-7.

(b) Notwithstanding section (a) of this rule, the City Council finds that attendance at City Council meetings is an important part of each member's duties and encourages all members to attend each meeting. In recognition of this, the City Council desires to formalize a process for alerting the City Clerk with respect to absences in advance of scheduled meetings, as contained in section (c) of this rule.

(c) Before 5:00 p.m. on the day of a scheduled meeting of City Council or on a day further in advance, a member that is unable to attend a scheduled meeting of City Council may contact the City Clerk by email to notify the Clerk of the impending absence and whether the absence is due to a business, family, medical, or personal reason. If timely notice of the absence is received by email, the absence will be declared excused and entered in the journal as such. If a member does not provide timely notice of the absence, they may provide notice as soon as possible thereafter to the City Clerk and the City Council may move to declare the absence excused at the next regularly scheduled meeting. If no notice is provided, the absence will remain classified as unexcused. The City Council further acknowledges that whether an absence is excused or unexcused, by itself, has no bearing on the potential removal from office of any member pursuant to the requirements contained in West Virginia Code § 6-6-7.

Councilmember Robinson added that the resolution provides Councilmembers a process to notify the City Clerk's Office of an absence to a Council meeting due to business, family, medical, or personal reasons. The absence will be noted as excused in the Council Journal.

Councilmember Ceperley added that the section of the Charter that refers to unexcused absences has been overridden by State law. The resolution clearly states that, and sets up a simple system by which to excuse a Councilmember's absence.

Councilmember Snodgrass spoke in support of Resolution No. 582-21, and added that specific reasons should not be made public.

Councilmember Jenkins asked if there was a reason the resolution only mentions City Council meetings as opposed to Committee meetings. Councilmember Ceperley replied that Council meetings are the only paid meetings, so the expectation of attendance is much higher for Council meetings. Additionally, the original Charter entry only spoke to Council meetings. Councilmember Jenkins added that he would like to see this requirement for Committee meetings as well, since most of the work and debate is meant to happen in those meetings.

Councilmember Robinson moved to approve the resolution. Councilmember Ceperley seconded the motion. With members present recorded thereon as voting unanimously in the affirmative, the Mayor declared Resolution No. 582-21 adopted.

WHEREAS, CAS filed an Application for a Cable Franchise to construct, operate and repair a Cable System in, over, along and under City roads and appropriate Rights-of-Way in the City of Charleston, WV (the "Application"); and

WHEREAS, CAS submitted the Application for the cable television franchise in the form required by West Virginia Code § 24D-1-1, *et seq.*; and

WHEREAS, the City has reviewed the Application and held public hearings on the Application, following all required procedures to consider and act upon the Application, and has considered the comments of all interested parties at a meeting of the Select Committee on Cable Franchise held on October 25, 2021, at the public hearing held on December 15, 2021, and at a meeting of the Select Committee on Cable Franchise held on January 3, 2022, as well as at meetings of the Finance Committee and City Council regarding this Bill held on January 18, 2022 (collectively, the "Public Hearings"); and

WHEREAS, the Public Hearings did not produce substantial public opposition to granting the Application to CAS; and

WHEREAS, the City believes it is in the interest of the community to approve the terms of a Franchise Agreement between the City of Charleston and CAS.

Now, therefore, be it ordained by the Council of the City of Charleston:

That with respect to and in accordance with the provisions of West Virginia Code § 24D-1-1, *et seq.*, the City hereby approves the granting of a Cable Franchise Agreement with CAS for a period of fifteen (15) years, with said Franchise set to expire on January 18, 2037, upon the terms of the Agreement attached hereto and incorporated herein by reference.

Councilmember Jenkins added that the agreement will be for a new cable/internet company coming into Charleston. The Select Committee on Cable Franchise has worked on this agreement for over a year. This will provide competition for citizens.

Councilmember Adams, Chair of the Select Committee on Cable Franchise, added that the Select Committee has worked diligently with CAS on the proposed agreement. This represents the first time that there has been competition within the City since 1988. A local data center will also be required.

Councilmember Snodgrass added that she will likely oppose this and the following bill as the City is not requiring any true advancement of technology, and that the fifteen-year term is too long.

Councilmember Jenkins moved to approve the bill. Councilmember Ceperley seconded the motion. A roll call was taken:

YEAS: Adams, Bays, Brown, Burton, Campbell, Ceperley, Cook, Haas, Hoover, Jenkins, Jones, King, McKinney, Moore, Overstreet, Pepper, Persinger, Pharr, Robinson, Sheets, Steele, Mayor Goodwin
NAYS: Knauff, Snodgrass
ABSENT: Faegre, Minardi, Moore, Reishman

With members present recorded thereon as voting in the majority in the affirmative, with twenty-two (22) Yeas and two (2) Nays, the Mayor declared Bill No. 7911 as passed.

10. Your committee on Finance has had under consideration the following resolution, and reports the same to Council with the recommendation that Bill No. 7942 do pass.

Bill No. 7942 - A BILL approving the renewal of a cable television franchise with Cebridge Acquisitions, LLC, doing business as Suddenlink Communications ("Suddenlink").

WHEREAS, Suddenlink is the present holder of a non-exclusive cable television franchise that was originally granted by the City of Charleston, WV ("City"), as set forth in Bill No. 4370 Committee Substitute, dated November 7, 1988, renewed by Bill No. 6610, as amended and adopted by Council on October 4, 1999, transferred to Cebridge Acquisitions, LLC by Bill No. 7214 as amended and adopted by Council on July 3, 2006, renewed by Bill No. 7229 Committee Substitute adopted by Council on October 2, 2006, renewed by Bill No. 7501 adopted by Council on November 21, 2011, and renewed by Bill No. 7720, adopted by Council on November 21, 2016 (collectively, the "Franchise"); and

WHEREAS, the Franchise expired on December 3, 2021; and

WHEREAS, Suddenlink submitted a request for renewal of the cable television franchise in the form acceptable under state and federal law to seek renewal via the informal process by letter dated January 4, 2019 (the "Application"); and

WHEREAS, the City has reviewed the Application and held public hearings on the proposed renewal of the franchise agreement, following all required procedures to consider and act upon the Application, and has considered the comments of all interested parties at a public hearing of the Select Committee on Cable Franchise held on June 17, 2021, at the public hearing held on December 15, 2021, and at a meeting of the Select Committee on Cable Franchise held on January 3, 2022, as well as at meetings of the Finance Committee and City Council regarding this Bill held on January 18, 2022 (collectively, the "Public Hearings"); and

WHEREAS, the Public Hearings produced opposition to Suddenlink's internet service and customer service, but did not produce substantial public opposition to the cable service provided by Suddenlink; and

WHEREAS, the Public Hearings produced opposition to providing Suddenlink with a lengthy renewal term with public commenters requesting a one year term, but did not produce substantial public opposition to a renewal of the cable franchise agreement; and

WHEREAS, the City believes it is in the interest of the community to approve the renewal of the Franchise, and to approve the terms of a new Franchise Agreement between the City and Suddenlink.

Now, therefore, be it ordained by the Council of the City of Charleston:

That with respect to and in accordance with the provisions of West Virginia Code § 24D-1-1, *et seq.*, and Bill No. 4370 Committee Substitute, dated November 7, 1988, Bill No. 6610, as amended and adopted by Council on October 4, 1999, Bill No. 7214 as amended and adopted by Council on July 3, 2006, Bill No.

7229 Committee Substitute adopted by Council on October 2, 2006, Bill No. 7501 adopted by Council on November 21, 2011, and Bill No. 7720, adopted by Council on November 21, 2016, the City hereby approves the renewal of the Franchise with Suddenlink for a period of five (5) years, with said Franchise set to expire on January 18, 2027, upon the terms of the Agreement attached hereto and incorporated herein by reference.

Councilmember Jenkins added that the agreement for Suddenlink is essentially the same, with the difference that the term length is for five years. The difference is that CAS has to build out their infrastructure. The time period also takes into account some customer complaints involving Suddenlink. Councilmember Jenkins added that this is not the proper agreement to address internet upgrades.

Councilmember Adams added that the Select Committee took into account customer concerns when drafting the agreement. At no previous time did the City take advantage of the clauses in the agreement to hold Suddenlink accountable to customer complaints.

Councilmember Jenkins moved to approve the bill. Councilmember Ceperley seconded the motion. A roll call was taken:

YEAS: Adams, Bays, Brown, Burton, Campbell, Ceperley, Cook, Haas, Hoover, Jenkins, Jones, King, McKinney, Moore, Overstreet, Pepper, Persinger, Pharr, Robinson, Steele, Mayor Goodwin
