My community needs...

10 responses

There is consensus that “Picnic/Gathering Facilities” are wanted for the property. Recreation opportunities, especially for children are also strongly desired.

Several of the answers to the open-ended question asking respondents to recount memories of the property recall community gatherings at the property; halloween parties, cake walks, church picnics, etc. Clearly, a place to gather, eat, and have fellowship is still much desired and sorely needed.

Similarly, there is consensus on desired physical improvements to the site with more than 90% of respondents asking for “New playground equipment”, “Places for grownups to sit while their kids play”, and “A picnic shelter”.

The school property needs...

10 responses

Another theme that came out in responses was the need for more regular maintenance on the site, cutting back overgrown trees, and the need for trash cans.

The public input chalkboard was very highly utilised with many reponses likely coming from young people. Kids clearly loved drawing on the board, but also provided great input. Many reponses asked for a pool, improved play equipment, and better seating. This space already serves as the center of community activity, especially for youth.

In total, the responses that were received show that residents are largely looking for the property to remain the hub of community activity in their neighborhood with improvements to the condition and amenities of the property. Many responses asked for a new, single-level community center with exercise equipment. Incorporating healthy lifestyle and recreation into the site is on the mind of residents. The ability to gather together is also critical as the property enters its next phase of life. Many memories shared recall the friends and family that gathered on the site. The community emphatically wants this legacy to live on as the school structure is removed and improvements are made.

The playground is the gathering spot for our whole community from childhood to adulthood; I have enjoyed watching our children play on the same playground that we were on, and I feel that there is a tradition of community, love, and togetherness from childhood to adulthood to be passed on to our children, and our grandchildren that has enriched our permanent bonds that we will forever share. The playground has been our community gathering area since before I was born, and it is now as such. There are multiple generations of families, and friends that gather together to celebrate holiday as a community that we otherwise couldn't; the same goes for just any other day when we all as a community just want to gather with our families, and friends, and our children. Let's please keep the legacy of the Riverview Playground going strong, and continue to pass the love of our community on as we had done since generations old.

- The cot can extend to 84 inches to allow for better leverage when manually loading/unloading.
- The cot can retract to 60 inches to allow for better mobility in tight spaces.
- The lithium-ion battery is placed at the foot end of the cot and can be accessed with a single hand.
- The battery's LED bars indicate battery power level, as well as charging and error status.
- The cot features a foot end light to help medics navigate through dark environments.
- Reflectors on the cot legs increase visibility for enhanced safety.
- The cot is equipped with Smart Equipment Management™ (SEM™), an interactive dashboard that helps you maximize your investment, minimize downtime and remotely manage your fleet.

- The foot end is equipped with a transport handle to provide better ergonomics while in transport height.
- The cot has 6 x 2 inch, sealed casters and bearings, including integrated steer and wheel locks that can be activated from the head end or foot end of the cot.

In addition to being a Releasor as provided

herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form attached hereto as Exhibit G providing for a release to the fullest extent of the Participating Subdivision's authority.

V. *"State Resolution."* A settlement with, or judgment obtained by, a state or state(s) relating to one or more Claims involving, arising out of or relating to Covered Conduct, including but not limited to the Distributor Settlement Agreement, dated as of July 21, 2021 (as subsequently updated).

W. *"West Virginia Mass Litigation Panel."* Kanawha County Civil Action No. 19-C-9000.

X. *"West Virginia Settlement Payment."* The four hundred million dollars (\$400,000,000.00) to be paid by the Settling Distributors under Section IV if this Agreement becomes effective pursuant to Section III.D.

III. Participation by Subdivisions and Conditions to Effectiveness of Agreement

A. *Notice to Subdivisions.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, representative counsel for Settling West Virginia Subdivisions shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Litigating Subdivisions and Non-Litigating Primary Subdivisions. The notice will include the deadline for becoming a Participating Subdivision.

B. *Requirements for Becoming a Participating Subdivision.*

1. A Litigating Subdivision or a Non-Litigating Primary Subdivision may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to a single point of contact designated by the Settling Distributors for receipt of Subdivision Settlement Participation Forms.

2. The required Subdivision Settlement Participation Form is attached as Exhibit G. To the extent that any Subdivision Settlement Participation Form submitted by any Participating Subdivision is worded differently from Exhibit G or interpreted differently from this Agreement in any respect, this Agreement controls.

C. *Participation by Subdivisions.* This Agreement shall become effective if certain conditions are satisfied as set forth below:

1. One hundred percent (100%) of Litigating Subdivisions and Non-Litigating Primary Subdivisions must become Participating Subdivisions by September 23, 2022.

2. If the condition set forth in Section III.C.1 is not met, the Settling Distributors shall have sole discretion to accept the terms of this Agreement, which shall become effective upon notice provided by the Settling Distributors to Paul T. Farrell, Jr. and Robert P. Fitzsimmons. If the condition set forth by Section III.C.1 is not met and the

Settling Distributors do not exercise discretion to accept this Agreement, this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

3. Upon notice by the Settling Distributors to Paul T. Farrell, Jr. and Robert P. Fitzsimmons that one of the conditions in Sections III.C.1 or 2 has been satisfied, each Litigating Subdivision that is a Participating Subdivision shall proceed to promptly dismiss with prejudice its claims against the Settling Distributors.

D. *Effective Date.* This Agreement shall become effective if one of the conditions in Sections III.C.1 or 2 has been satisfied and all the dismissals with prejudice required by Section III.C.3 have been entered. The date upon which these conditions are fully satisfied shall be the Effective Date.

IV. Settlement Payments

A. *Schedule.* The total amount to be paid by the Settling Distributors under this Agreement is four hundred million dollars (\$400,000,000.00), which is inclusive of all fees and costs of any kind, and any common benefit assessment (if any) shall be paid from this amount. The Settling Distributors shall make twelve (12) payments pursuant to the schedule set forth in Exhibit C.

1. The first payment shall be due sixty (60) days after the Settling Distributors' receipt of all required Subdivision Settlement Participation Forms pursuant to Sections III.B and III.C and the entries of dismissals with prejudice of all lawsuits brought by Litigating Subdivisions that are Participating Subdivisions pursuant to Section III.C.3.

2. The second payment shall be due on January 31, 2023 or sixty (60) days after the Settling Distributors' receipt of all required Subdivision Settlement Participation Forms and the entries of dismissals with prejudice of all lawsuits brought by Litigating Subdivisions that are Participating Subdivisions, whichever is later.

3. Each subsequent payment shall be due on January 31 of each successive year.

B. *Receipt and Disbursement of West Virginia Settlement Payment.* All payments made under this Section IV shall be made into the Qualified Settlement Fund ("QSF") as established by the Settling West Virginia Subdivisions. The QSF shall allocate the West Virginia Settlement Payment to Participating Subdivisions pursuant to the West Virginia First Memorandum of Understanding, attached as Exhibit H, and as directed by the West Virginia Mass Litigation Panel.

C. *Allocation of Payments Among Settling Distributors.* Payments due from the Settling Distributors under this Agreement will be allocated among the Settling Distributors as follows: McKesson – 38.1%; Amerisource – 31.0%; Cardinal – 30.9%. A Settling Distributor's sole responsibility for payments under this Agreement shall be to make its share of each payment.

The obligations of the Settling Distributors in this Agreement are several and not joint. No Settling Distributor shall be responsible for any portion of another Settling Distributor's share.

D. *Use of Payment.*

1. The amounts paid under this Agreement shall be distributed pursuant to the West Virginia First Memorandum of Understanding, attached as Exhibit H. It is the intention of the Agreement Parties that the entire Compensatory Restitution Amount shall be used for Opioid Remediation. It is the intention of the Settling Distributors that at least eighty-five percent (85%) of the total amount paid under this Agreement shall be used for Opioid Remediation and not more than fifteen percent (15%) shall be used for attorneys' fees and costs; *provided, however*, that the Settling Distributors recognize that the final amount to be allocated to attorneys' fees and costs shall be determined by the West Virginia Mass Litigation Panel.

2. Without limiting the foregoing, if, at any time, a Participating Subdivision uses any monies from the West Virginia Settlement Payment for a purpose that does not qualify as Opioid Remediation, such Participating Subdivision shall identify such amounts and report to the Settling Distributors how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. Any such Participating Subdivision shall make reports to the Settling Distributors with respect to each six (6) month period ending on June 30 or December 31 of any year in which a portion of the West Virginia Settlement Payment is received, and such reports shall be provided within ninety (90) days of the end of the applicable six (6) month period.

E. *Nature of Payment.* Each of the Settling Distributors and the Participating Subdivisions acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. It has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Participating Subdivisions sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Participating Subdivisions; (b) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by the Settling Distributors constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by the Settling Distributors;

4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or

in part, the Participating Subdivisions to the same position or condition that they would be in had the Participating Subdivisions not suffered the Alleged Harms; and

5. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Participating Subdivision or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in this Section IV.E, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, or other punitive assessments.

F. *Significant Financial Constraint.*

1. A Settling Distributor's allocable share of an annual payment due under Section IV.A may, at the election of such Settling Distributor, be deferred either (a) up to the amount by which that share plus amounts payable during that payment year by that Settling Distributor under any State Resolutions would exceed twenty percent (20%) of such Settling Distributor's total operating cash flow (as determined pursuant to United States generally accepted accounting principles) for its fiscal year that concluded most recently prior to the due date for that payment or (b) (i) up to twenty-five percent (25%) if, as of thirty (30) calendar days preceding that payment date, the Settling Distributor's credit rating from one or more of the three nationally recognized rating agencies is below BBB or Baa2 or (ii) up to one hundred percent (100%) if, as of thirty (30) calendar days preceding that payment date, the company's credit rating from one or more of the three (3) nationally recognized rating agencies is below BBB- or Baa3.

2. If the reason for exceeding twenty percent (20%) of a Settling Distributor's total operating cash flow or the decrease in credit rating is substantially attributable to the incurrence of debt to fund post-settlement acquisitions or to the payment of dividends and/or share repurchases that together are of an amount that exceeds the total amount of those two items for the prior fiscal year, no deferral is available. A Settling Distributor shall not be allowed to defer payment for a payment year if that Settling Distributor engaged in any share repurchases in the three fiscal quarters prior to the payment date for that payment year.

3. If a Settling Distributor has reason to believe that it will not be able to pay some or all of its allocable share of an annual payment, it shall provide at least ninety (90) calendar days' prior written notice to Paul T. Farrell, Jr. and Robert P. Fitzsimmons (a "Deferred Payment Notice"). Any Deferred Payment Notice shall specify and include: (a) the gross amount of the payments owed (including the estimated allocable portion of the annual payment, and amounts owed under State Resolutions by the relevant Settling Distributor), (b) the amount that the Settling Distributor believes it will be unable to pay, (c) the accounting and audited financial documents upon which the Settling Distributor relied for making this determination, and (d) any other relevant information for Paul T. Farrell, Jr. and Robert P. Fitzsimmons to consider.

4. A Settling Distributor shall not utilize this provision during the first three (3) payment years. If a Settling Distributor defers some or all of the payments due in a

payment year pursuant to this Section IV.F, it shall not repurchase any shares, or fund new acquisitions with an acquisition price greater than \$250 million, during the deferral period until the deferred amount is fully repaid with interest. Any amounts deferred shall bear interest at an interest rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Deferred Payment Notice plus 0.5%.

5. The Settling Distributor shall pay all deferred amounts, including applicable interest on the next payment date. If the amounts previously deferred (including interest) together with the Settling Distributor's share of all payments due for a payment year would allow for a deferral under Section IV.F.1, the Settling Distributor shall pay as much of the previously deferred amounts (including interest) as it can pay without triggering the ability to defer payment and may defer the remainder as permitted under (and subject to the restrictions of) this Section IV.F.

6. If a Settling Distributor could pay a portion of its allocable share of the annual payments due pursuant to this Agreement during a payment year without triggering this Section IV.F, the Settling Distributor shall be required to pay that portion as scheduled and only the excess would be subject to deferral at the election of the Settling Distributor (in whole or in part) as provided herein.

7. The Settling Distributor shall pay any deferred amounts, including applicable interest on or before the date on which the last payment is due.

G. *Pre-payment Option.*

1. Any Settling Distributor shall have the right, subject to the limitations set forth in Section IV.G.3, to prepay any annual payment in whole or in part, without premium or penalty (a "*Settlement Prepayment*") by providing at least fourteen (14) calendar days prior written notice to Paul T. Farrell, Jr. and Robert P. Fitzsimmons (a "*Prepayment Notice*"). Any Prepayment Notice shall specify: (a) the gross amount of the Settlement Prepayment, (b) the manner in which such Settlement Prepayment shall be applied to reduce such Settling Distributor's future share of annual payments (*i.e.*, to which future year(s) the allocable portion of an annual payment owed by such Settling Distributor the Settlement Prepayment should be applied) (such manner of application, a "*Settlement Prepayment Reduction Schedule*"), (c) the net present value of the Settlement Prepayment as of the Prepayment Date based on the Settlement Prepayment Reduction Schedule using a discount rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Prepayment Notice plus 1.75% (such net present value amount, the "*Net Settlement Prepayment Amount*"), and (d) the date on which the prepayment will be made, which shall be no more than fifteen (15) calendar days after the date of the Prepayment Notice (the "*Prepayment Date*").

2. On the Prepayment Date the Settling Distributor shall pay the Net Settlement Prepayment Amount to the QSF and such amount shall be used only as specified in Section IV. Following such payment, all future portions of the annual payments allocated to the applicable Settling Distributor under Section IV.C shall be reduced pursuant to the

Settlement Prepayment Reduction Schedule, and Exhibit C will be updated to give effect to such reduction, and going forward such updated schedule will be Exhibit C.

3. A Settling Distributor's right to make prepayments shall be subject to the following limitations:

a. A Settling Distributor shall make no more than three (3) prepayments over the payment term. A Settling Distributor shall not make a prepayment in consecutive years, there shall not be a prepayment in the first payment year.

b. The total amount of a prepayment shall not be larger than the anticipated annual payment for any payment year affected by the prepayment.

c. Prepayments shall be applied proportionately to all Participating Subdivisions.

d. In a payment year against which there has been a prepayment, if the actual annual payment is greater than the amount prepaid prior to discounting calculations, the Settling Distributor shall pay the difference. If, in a payment year for which there has been a prepayment, the actual annual payment is less than the amount calculated at the time of the prepayment, there shall be a credit for the difference to the Settling Distributor to be applied in the subsequent payment year(s).

4. For illustrative purposes only, attached as Exhibit K is an example showing a Settlement Prepayment, the related calculation of the Net Settlement Prepayment Amount, and the related adjustment to the settlement payment schedule.

V. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Participating Subdivision (for itself and its Releasers) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Agreement Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Participating Subdivision to release Claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Agreement Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. The payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasers against non-parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. This Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

e. The provisions of this Section V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Effective Date, any Releaser enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releaser will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from the Settling Distributors in this Section V, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releaser obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section V.B.3, or any Releaser files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releaser is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section V.A.2, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section V.A.1.e with respect to that Non-

Released Entity and that Releasor and the Settling Distributors shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by the Settling Distributors:

- a. The Settling Distributors shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;
- b. The Settling Distributors and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement;
- c. That Releasor and the Settling Distributors shall take steps sufficient and permissible under the law of the State of West Virginia to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement. Such steps may include, where permissible:
 - (i) Filing of motions to dismiss or such other appropriate motion by the Settling Distributors or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;
 - (ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (iv) Return of monies paid by the Settling Distributors to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;
 - (v) Payment of monies to the Settling Distributors by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (vi) Credit to the Settling Distributors under this Agreement to reduce the overall amounts to be paid under this Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Settling Distributors may devise to hold the Settling Distributors harmless from the Claim-Over.

d. The actions of that Releasor and the Settling Distributors taken pursuant to Section V.B.4.c must, in combination, ensure the Settling Distributors are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to Section V.B.4.c, that Releasor and the Settling Distributors may seek review by the West Virginia Mass Litigation Panel. In the event that the West Virginia Mass Litigation Panel's actions do not result in Released Entities being held fully harmless, the Settling Distributors shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Settling Distributors harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that the Settling Distributors may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section V.A.3 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Settling Distributor shall notify the Participating Subdivisions to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *General Release.* In connection with the releases provided for in this Agreement, each Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Participating Subdivisions' decision to enter into this Agreement.

D. *Assigned Interest Waiver.* To the extent that any Participating Subdivision has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Settling Distributor (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Participating Subdivision waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Settling Distributor.

E. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement or other judgment entered on this Agreement, gives rise to under applicable law.

F. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the West Virginia Settlement Payment or any portion thereof, or by the enactment of future laws, or by any seizure of the West Virginia Settlement Payment or any portion thereof.

G. *Cooperation.* Each Participating Subdivision (for itself and its Releasors) (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by the Settling Distributors to secure the prompt dismissal of any and all Released Claims.

VI. Miscellaneous

A. *No Admission.* The Settling Distributors do not admit liability, fault, or wrongdoing. This Agreement shall not be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Settling Distributors. It is the understanding and intent of the Agreement Parties that no portion of this Agreement shall be entered into evidence in any other action against the Settling Distributors, among other reasons, because it is not relevant to such action. For the avoidance of any doubt, nothing herein shall prohibit a Settling Distributor from entering this Agreement into evidence in any litigation or arbitration concerning a Settling Distributor's right to coverage under an insurance contract.

B. *Enforceability.* This Agreement is enforceable only by the Settling Distributors and Participating Subdivisions; *provided, however*, that Released Entities may enforce Section V. The Settling Distributors consent to the jurisdiction of the West Virginia Mass Litigation Panel, limited to resolution of disputes related to the enforcement of this Agreement.

C. *Tax Cooperation and Reporting.*

1. Upon request by any Settling Distributor, the Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Settling Distributors to establish the statements set forth in

Section IV.E to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section VI.C.1, each Participating Subdivision shall cooperate in good faith with any Settling Distributor with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated Subdivision on behalf of all Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated Subdivision shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit D, Exhibit E, and Exhibit F with respect to each of the Settling Distributors and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Settling Distributors, and (b) provides to each of the Settling Distributors a copy of (i) the IRS Form 1098-F filed with respect to such Settling Distributor and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section IV.E.

4. The Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section VI.C.3, and any similar document, shall be prepared and filed in a manner consistent with reporting each Settling Distributor’s portion of the West Virginia Settlement Payment as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F, each Settling Distributor’s portion of the West Virginia Settlement Payment less the Compensatory Restitution Amount as the “Amount to be paid for violation or potential violation” in Box 2 of IRS Form 1098-F, and each Settling Distributor’s portion of the Compensatory Restitution Amount as going toward attorneys’ fees and costs as “Restitution/remediation amount” in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit D, Exhibit E, and Exhibit F. If the Designated Subdivision shall be required to file any return, amended return, or written statement contemplated by this Section other than an IRS Form 1098-F in the form attached as Exhibit D, Exhibit E, and Exhibit F, the Designated Subdivision shall direct and ensure that the Appropriate Official provides to each Settling Distributor a draft of such return, amended return, or written statement in respect of such Settling Distributor no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Settling Distributor on the return, amended return, or written statement in respect of such Settling Distributor.

5. For the avoidance of doubt, neither the Settling Distributors nor the Participating Subdivisions make any warranty or representation to any Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

D. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Participating Subdivision or a Released Entity. Participating Subdivisions may not assign or otherwise convey any right to enforce any provision of this Agreement.

E. *Cooperation.* Each Agreement Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Agreement Parties and Participating Subdivisions to cause this Agreement to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Agreement Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement by any other person, and will support the integrity and enforcement of the terms of this Agreement.

F. *No Violations of Applicable Law.* Nothing in this Agreement shall be construed to authorize or require any action by Settling Distributors in violation of applicable federal, state, or other laws.

G. *Modification.* This Agreement may be modified by a written agreement of the Agreement Parties. For purposes of modifying this Agreement, Settling Distributors may contact Paul T. Farrell, Jr. and Robert P. Fitzsimmons for purposes of coordinating this process. The dates and deadlines in this Agreement may be extended by written agreement of the Agreement Parties, which consent shall not be unreasonably withheld.

H. *No Waiver.* Any failure by any Agreement Party to insist upon the strict performance by any other party of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions of this Agreement, and such party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions of this Agreement.

I. *Entire Agreement.* This Agreement, including all Exhibits, represents the full and complete terms of the settlement entered into by the Agreement Parties, except as provided herein. In any action undertaken by the Agreement Parties, no prior versions of this Agreement and no prior versions of any of its terms may be introduced for any purpose whatsoever.

J. *Counterparts.* This Agreement may be executed in counterparts, and a facsimile or .pdf signature shall be deemed to be, and shall have the same force and effect as, an original signature.

K. *Notice.* All notices or other communications under this Agreement shall be provided to the following via email and overnight delivery to:

Exhibit H
WEST VIRGINIA FIRST
MEMORANDUM OF UNDERSTANDING

General Principles

Whereas, the people of the State of West Virginia, its Local Governments and communities, have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and,

Whereas, certain Local Governments, through their elected representatives and counsel, and the State, through its Attorney General, are separately engaged in litigation seeking to hold Pharmaceutical Supply Chain Participants accountable for the public harms caused by their misfeasance, nonfeasance, and malfeasance; and

Whereas, the State, through its Attorney General, and its Local Governments share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance, and malfeasance throughout the State of West Virginia;

Terms

The State and its Local Governments and communities, subject to the completion of formal documents effectuating the Parties' agreements, enter into this Memorandum of Understanding ("MOU") relating to the allocation and use of the proceeds of Settlements and Judgments described herein.

A. Definitions

As used in this Memorandum of Understanding:

1. "Approved Purpose(s)" shall mean evidence-based strategies, programming and/or services used to expand the availability of treatment for individuals affected by substance use disorders and/or addiction, to develop, promote and provide evidence-based substance use prevention strategies, to provide substance use avoidance and awareness education, to engage in enforcement to curtail the sale, distribution, promotion or use of opioids and other drugs, to decrease the oversupply of licit and illicit opioids and to support recovery from addiction to be performed by qualified providers as is further set forth in Exhibit A and Paragraph B(3) below.
2. "Court" is the West Virginia Mass Litigation Panel.
3. "Foundation Share" shall mean Opioid Funds allocated to the Foundation from any settlement or judgment.

4. "Judgment" shall mean a final judgment or verdict in favor of any of the Parties in a judicial proceeding pending in either state or federal court (including Bankruptcy Court) which resolves legal or equitable claims regarding opioids against a Pharmaceutical Supply Chain Participant. Judgment shall not include any judgment on the claims of Cabell County and the City of Huntington which were previously tried in the United States District Court for the Southern District of West Virginia, or any judgment on any claims asserted by the State against a Pharmaceutical Supply Chain Participant arising under federal or state antitrust laws, state criminal laws, or claims asserted pursuant to W. Va. Code § 9-7-6(c) or for Medicaid reimbursement.
5. "Local Government(s)" shall mean all counties, cities, villages, and towns located within the geographic boundaries of the State.
6. "Local Government Share" or "LG Share" shall mean Opioid Funds allocated directly to Local Governments from any settlement or judgment.
7. "Regional Share Calculation" shall mean each Region's share of Opioid Funds which shall be calculated by summing the individual percentage shares of the Local Governments set forth in Exhibit C for all of the subdivisions in the entire Region as defined in Exhibit B.
8. "Net Opioid Fund" is the Opioid Fund less the Opioid Seed Fund payment.
9. "Opioid Funds" shall mean monetary amounts obtained through a Settlement or Judgment as defined in this Memorandum of Understanding.
10. "Pharmaceutical Supply Chain" shall mean the process and channels through which opioids are manufactured, marketed, promoted, distributed, or dispensed.
11. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic, including but not limited to those persons or entities identified as Defendants in the matter captioned In re: Opioid Litigation, MDL 2804 pending in the United States District Court for the Northern District of Ohio, the proceedings before the West Virginia Mass Litigation Panel, styled In Re: Opioid Litigation, Civil Action No. 19-C-9000, and relates to conduct occurring prior to the date of this agreement. For the avoidance of doubt, the term Pharmaceutical Supply Chain Participant includes any parent or subsidiary company of any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic, and any entity that engages in or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic, that seeks or has sought protection under the United States Bankruptcy Code.

12. "Settlement" shall mean the negotiated resolution by any of the Parties, of legal or equitable claims regarding opioids against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the Parties. It does not include the Settlements the State and/or the West Virginia Attorney General entered into with any Pharmaceutical Supply Chain Participant prior to December 1, 2021. For the avoidance of doubt McKinsey is included. Settlement shall not include the claims of Cabell County and the City of Huntington, which were previously tried in the United States District Court for the Southern District of West Virginia or settlement of any claims asserted by the State and/or the West Virginia Attorney General against a Pharmaceutical Supply Chain Participant arising under federal or state antitrust laws, state criminal laws, or claims asserted pursuant to W. Va. Code, § 9-7-6(c) or for Medicaid reimbursement.
13. "State Share" shall mean Opioid Funds allocated to the State from any settlement or judgment.
14. "The Parties" shall mean the State and the Local Governments.
15. "Regions" shall mean the division of the Local Governments into six (6) separate areas as set forth in Exhibit B.
16. "The State" shall mean the State of West Virginia acting through its Attorney General.
17. "West Virginia Seed Fund" shall be funded as set forth in Paragraph B(2)(a). The funds are available for use in proper creation and documentation of the West Virginia Opioid Foundation and to fund their start-up work, and subsequent operation.

B. Settlement and Judgment Proceeds

1. The Parties shall organize a private, nonstock, nonprofit corporation for the purposes of receiving and distributing West Virginia Opioid Funds as set forth in Section C. of this MOU ("Opioid Foundation").
2. The Parties shall allocate all Opioid Funds as follows:
 - a. Subject to relevant approvals, the State shall pay into the West Virginia Seed Fund the \$10,000,000 received from McKinsey & Company as a result of the February 3, 2021, consent judgment with the State.
 - b. All other Opioid Funds covered by the agreement shall be allocated as set forth below:

- i. 24.5% of the Net Opioid Funds shall be allocated as LG Shares. These LG Shares shall be allocated amongst the Local Governments using the default percentages set forth in Exhibit C. Each county and its inclusive municipalities must either: (a) ratify the default allocation; (b) reach an agreement altering the default allocation; or (c) submit to binding arbitration before Judge Christopher Wilkes (WVMLP Special Master) whose decision will be final and non-appellable.
 - ii. The Foundation will receive 72.5% of the Net Opioid Funds ("Foundation Share").
 - iii. The State shall receive 3% of the Net Opioid Funds ("State Share"), by and through the Attorney General, to be held in escrow for expenses incurred related to opioid litigation. If the 3% is not spent by December 31, 2026, then 1% goes to Local Governments and 2% goes to the Opioid Foundation.
3. All Net Opioid Funds, regardless of allocation, shall be used in a manner consistent with the Approved Purposes definition. The LG Share may be used as restitution for past expenditures so long as the past expenditures were made for purposes that would have qualified or were consistent with the categories of Approved Purposes listed in Exhibit A. Prior to using any portion of the LG Share as restitution for past expenditures, a Local Government shall pass a resolution or take equivalent governmental action detailing and explaining its use of the funds for restitution. Moreover, up to one-half of the LG Share may be used to provide restitution for monies that were previously expended on opioid abatement activities, including law enforcement and regional jail fees.
4. In the event a Local Government merges, dissolves, or ceases to exist, the relevant shares for that Local Government shall be redistributed equitably based on the composition of the successor Local Government. If a Local Government for any reason is excluded from a specific Settlement or Judgment, the allocation percentage for that Local Government shall be redistributed among the participating Local Governments for that Settlement or Judgment.
5. If the LG Share is less than \$500, then that amount will instead be distributed to the county in which the Local Government lies to allow practical application of the abatement remedy.
6. Funds obtained that are unrelated to any Settlement or Judgment with a Pharmaceutical Supply Chain Participant, including those received via grant, bequest, gift, or the like, may be directed to the Opioid Foundation and disbursed as set forth below.
7. The Foundation Share shall be used for the benefit of the people of West Virginia consistent with the by-laws of the Foundation documents and this MOU.

8. Nothing in this MOU alters or changes the Parties' rights to pursue their own claims in litigation, subject to Paragraph E. Rather, the intent of this MOU is to join the Parties together regarding the distribution of the proceeds of settlements with or judgments against Pharmaceutical Supply Chain Participants for the benefit of all West Virginians and ensure that settlement monies are spent consistent with the Approved Purposes set forth in Exhibit A.
9. Any settlement, judgment and/or other remedy arising out of *City of Huntington v. AmerisourceBergen Drug Corporation, et al.* (Civil Action No. 3:17-01362) and/or *Cabell County Commission v. AmerisourceBergen Drug Corporation, et al.* (Civil Action No. 3:17-01665) pending in the United States District Court for the Southern District of West Virginia (Faber, J.) ("CT2") is specifically excluded from this MOU.

C. The Opioid Foundation

1. The Parties shall create a private section 501(c)(3) Opioid Foundation ("Foundation") with a governing board ("Board"), a panel of experts ("Expert Panel"), and such other regional entities as may be necessary for the purpose of receiving and disbursing Opioid Funds and other purposes as set forth both herein and in the documents establishing the Foundation. The Foundation will allow Local Governments to take advantage of economies of scale and will partner with the State to increase revenue streams.
2. Each Region shall create their own governance structure, ensuring that all Local Governments have input and equitable representation regarding regional decisions including representation on the board and selection of projects to be funded from the Regional Share Calculation. The Expert Panel may consult with and may make recommendations to Regions on projects, services and/or expenses to be funded. Regions shall have the responsibility to make decisions that will allocate funds to projects, services and/or expenses that will equitably serve the needs of the entire Region.

3. Board Composition

The Board will consist of 11 members comprising representation as follows:

- a. To represent the interests of the State, five appointees of the governor, subject to confirmation by the Senate. The five appointees are intended to be limited to one from any given Region. If special circumstances are shown, this provision may be waived by a vote of four of the six Local Government members.
- b. To represent the interests of the Local Governments, six members, with one member selected from each Region. The Local Governments in each Region shall make the selection of the board member to represent their region.

4. Board terms will be staggered three-year terms. Board members may be reappointed.
5. Board members shall serve as fiduciaries of the Foundation separate and distinct from any representational capacity of the entity appointing the Board Member. Members of any regional governing structure shall likewise serve as fiduciaries of their Region separate and distinct from any representational capacity of the entity appointing the member.
6. Members of the board should have expertise in a variety of disciplines, such as substance abuse treatment, mental health, law enforcement, pharmacology, finance, and healthcare policy and management. Drawing Board members from these disciplines will help to ensure that the Board will make appropriate and prudent investments in order to meet short-term and long-term goals.
7. Six members of the Board shall constitute a quorum. Members of the Board may participate in meetings by telephone or video conference or may select a designee to attend and vote if the Board member is unavailable to attend a board meeting.
8. The Foundation shall have an Executive Director appointed by the Attorney General after consultation with the Board. The Board may reject the Attorney General's selection of the Executive Director only on the affirmative vote of eight members of the board. The Executive Director shall have at least six years' experience in healthcare, finance and management and will be responsible for the management, organization, and preservation of the public/private partnership's records. The Executive Director may be removed by the Board upon the concurrence of the votes of three-fourths of the members of the Board. The Executive Director shall have the right to attend all Board meetings unless otherwise excused but shall vote only in the event of a tie.
9. The Board shall appoint the Expert Panel. The Expert Panel should include experts in the fields of substance abuse treatment, mental health, law enforcement, pharmacology, finance, and healthcare policy and management. The purpose of the Expert Panel is to assist the Board in making decisions about strategies for abating the opioid epidemic in local communities around the state. The Executive Director and any member of the Board shall have the right to attend all meetings of the Expert Panel.
10. The governance of the Board and the criteria to be established for disbursement of funds shall be guided by the recognition that expenditures should insure the efficient and effective abatement of the opioid epidemic, the enforcement of laws to curb the use of opioids, and the prevention of future addiction and substance misuse based upon an intensity and needs basis. All expenditures must be consistent with the categories of Approved Purposes as set forth in Exhibit A hereto.

11. Disbursement of Foundation Share by the Board

- a. The Foundation Board shall develop and approve procedures for the disbursement of Opioid Funds of the Foundation consistent with this Memorandum of Understanding.
- b. Funds for statewide programs, innovation, research, and education may also be expended by the Foundation from the Foundation Share, from the State Share (as directed by the State), or from sources other than Opioid Funds as provided below.
- c. The Foundation shall spend 20% of its annual budget in the six regions during the Foundation's first seven years of funding to be divided according to each Region's fixed Regional Share Calculation. After seven years, all regional spending will be as set forth in Section 11(d), below. Regions may, after consulting with the Expert Panel, expend the sums received under this Section 11(c) for any Approved Purposes.
- d. After the Regional Shares are distributed as set forth in Section 11(c), the Disbursement of Funds from the Foundation Share approved for disbursement by the Board for Approved Purposes shall be disbursed based on an evidence-based evaluation of need after consultation with the Expert Panel. The Parties do not intend to require any specific regional allocation of the Foundation Share other than those distributed pursuant to Paragraph 11(c).
- e. Regions may collaborate with other Regions to submit joint proposals.
- f. The proposed procedures shall set forth the role of the Expert Panel in advising the Regions and the Board concerning disbursements of Opioid Funds of the Foundation as set forth in this MOU.
- g. Within 90 days of the first receipt of any Opioid Funds and annually thereafter, the Board, after receiving counsel from its investment advisors and Expert Panel, shall determine the amount and timing of Foundation funds to be distributed annually. 2. The Governmental Entity shall, within fourteen (14) days of notice by Settling Distributors to Paul T. Farrell, Jr. and Robert P. Fitzsimmons that one of the conditions in Section III.C.1-2 has been satisfied, secure the dismissal with prejudice of any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Distributors Settlement.
4. By agreeing to the terms of the Distributors Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments.
5. The Governmental Entity agrees to use any monies it receives through the Distributors Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the West Virginia Mass Litigation Panel for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Distributors Settlement.

7. The Governmental Entity has the right to enforce the Distributors Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Distributors Settlement, including, but not limited to, all provisions of Section V thereof, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. General Release; extent. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date of the Distributors Settlement, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Distributors Settlement.
