Ordinance & Rules

Bill No. 8013 - A BILL to amend and reenact Sec. 6-91 of the Municipal Code of the City of Charleston, as amended; and to amend said Code by adding thereto a new Article IV within Chapter 6, consisting of 4 divisions, designated Sec. 6-151, 6-152, 6-153, 6-154, 6-155, 6-156, 6-157, 6-158, 6-166, 6-167, 6-168, 6-171, 6-172, 6-173, 6-176, 6-177, and 6-178, all relating to authorizing Private Outdoor Designated Areas; updating prohibitions on drinking in public places; providing details for the operation of Private Outdoor Designated Areas; creating certain requirements and prohibitions for businesses and individuals within Private Outdoor Designated Areas; requiring certain signage be placed to demarcate Private Outdoor Designated Areas; authorizing the City Manager to take action to revoke permits or suspend Private Outdoor Designated Areas when public safety so requires; creating the City Center PODA, Bridge Road PODA, and Elk City PODA; and setting forth day, time, and personnel needed for the operation of each Private Outdoor Designated Area.

Now, therefore, be it ordained by the Council of the City of Charleston:

That Sec. 6-91 of the Municipal Code of the City of Charleston, as amended, is hereby amended and reenacted; and that said Code is hereby amended by adding thereto a new Article IV within Chapter 6, consisting of 4 divisions, designated Sec. 6-151, 6-152, 6-153, 6-154, 6-155, 6-156, 6-157, 6-158, 6-166, 6-167, 6-168, 6-171, 6-172, 6-173, 6-176, 6-177, and 6-178, all to read as follows:

CHAPTER 6. – ALCOHOLIC BEVERAGES.

ARTICLE III. – INTOXICATING LIQUOR.

DIVISION 1. – GENERALLY.

Sec. 6-91. – Prohibited drinking and prohibited possession.

It shall be unlawful for any person to:

(1) Drink alcoholic liquor in a public place except as otherwise provided by law.

(2) Drink alcoholic liquor in a motor vehicle upon any street, open space or

33 in a public garage.

34 (3) Tender a drink of alcoholic liquor to another person ~~in a public place or~~
35 in any place mentioned in subsection (2) of this section or in a public place, except as
36 otherwise provided by law.

37 (4) ~~Possess alcoholic liquor in an amount in excess of one gallon, in~~
38 ~~containers not bearing stamps or seals of the state liquor control commission, without~~
39 ~~having first obtained written authority from that commission.~~

40 (5) Possess any alcoholic liquor which he or she knows or should know
41 was manufactured or acquired in violation of the provisions of W. Va. Code Chapter 60
42 (W. Va. Code § 60-1-1 et seq.).

43 44 **ARTICLE IV. – PRIVATE OUTDOOR DESIGNATED AREAS.**

45 **DIVISION 1. – GENERALLY.**

46 47 **Sec. 6-151. – Authorization for Private Outdoor Designated Areas.**

48
49 Pursuant to West Virginia Code §8-12-26, the City of Charleston hereby adopts
50 this ordinance establishing private outdoor designated areas, as described in West
51 Virginia Code § 60-7-8g.

52 53 **Sec. 6-152. – Private Outdoor Designated Area.**

54
55 A Private Outdoor Designated Area includes the public property that has become
56 a legally demarcated area established by a municipal ordinance as set forth in West
57 Virginia Code §8-12-26 for the consumption of liquor, wine, nonintoxicating beer, and
58 nonintoxicating craft beer. A person may possess and consume an approved open
59 container of liquor, wine, nonintoxicating beer, or nonintoxicating craft beer sold from an
60 approved Class S4 permit holder, as further detailed in this Article, outdoors within a
61 Private Outdoor Designated Area. A business operating within a Private Outdoor
62 Designated Area may choose whether or not to permit people to enter its business with
63 an approved open container of liquor, wine, nonintoxicating beer, or nonintoxicating
64 craft beer sold from an approved Class S4 permit holder.

65 66 **Sec. 6-153. – Participation in a Private Outdoor Designated Area.**

67
68 (a) Any Class A license holder under West Virginia Code §60-7-1 *et seq.* that
69 operates in a Private Outdoor Designated Area may apply to the City Manager for the
70 approval to operate in a Private Outdoor Designated Area. The City Manager shall
71 review the application to ensure it is complete and meets the following requirements:

72 (1) The applicant is located in an established Private Outdoor Designated
73 Area, pursuant to this Article, with a front door in compliance with all building and fire
74 codes for the safe ingress and egress of members, patrons, and guests to and from the
75 Private Outdoor Designated Area.

76 (2) The applicant has a valid city and state business license and is in good
77 standing with the city.

78 (3) The applicant has a valid Class A license under West Virginia Code

79 §60-7-1 et seq.

80
81 (b) Once approved by the City Manager, as indicated by a letter of approval to
82 the applicant, the license holder may apply to the West Virginia Alcohol Beverage
83 Control Administration (“WVABCA”) for a special Class S4 permit, as detailed in West
84 Virginia Code § 60-7-8g, to participate in a Private Outdoor Designated Area, as further
85 detailed in this Article, in the West Virginia Code, and in any applicable rules of the
86 WVABCA. Upon approval by the WVABCA, the Class S4 permit holder shall notify the
87 City Manager’s office. Any business that receives the approval of the City Manager and
88 a Class S4 permit from the WVABCA may participate in a Private Outdoor Designated
89 Area.

90
91 (c) Participation in a Private Outdoor Designated Area does not provide a
92 business with any authority to operate outdoor dining on the public right of way. Any
93 business interested in participating in outdoor dining shall follow the requirements of
94 Chapter 102, Article VII of this Code. A business with an approved outdoor dining area
95 that is within a Private Outdoor Designated Area may operate its outdoor dining area
96 simultaneously with its participation in a Private Outdoor Designated Area.

97
98 **Sec. 6-154. – Containers.**

99
100 All beverages served from valid Class S4 permit holders for consumption in a
101 Private Outdoor Designated Area shall be served in a non-glass container not greater
102 than 16 fluid ounces, which has been approved by the City Manager and the WVABCA.

103
104 **Sec. 6-155. – Signage and Prohibitions.**

105
106 (a) Prior to the operation of a Private Outdoor Designated Area, the city shall
107 erect conspicuous signage. The signs shall be located at every reasonable point where
108 a pedestrian may exit the Private Outdoor Designated Area by way of a public sidewalk.
109 The signs shall clearly state “No alcohol beyond this point.” and provide clear notice that
110 a person is leaving the Private Outdoor Designated Area.

111
112 (b) A person may not leave a Private Outdoor Designated Area while possessing
113 an open container of liquor, wine, nonintoxicating beer, or nonintoxicating craft beer that
114 contains liquid.

115
116 (c) A person may not possess an open container of liquor, wine, nonintoxicating
117 beer, or nonintoxicating craft beer that contains liquid while being in, on, or operating a
118 motor vehicle within a Private Outdoor Designated Area.

119
120 **Sec. 6-156. – Public Health, Safety, and Sanitation.**

121
122 (a) All Private Outdoor Designated Areas shall be operated in a manner
123 consistent with all state and municipal laws. The Charleston Police Department shall be
124 responsible for ensuring compliance and may issue citations within the Private Outdoor

Designated Areas as necessary. The Charleston Police Department shall provide a copy of any citation issued within a Private Outdoor Designated Area to the WVABCA.

(b) In addition to any public restrooms in a Private Outdoor Designated Area, participating Class S4 permit holders shall make available adequate restroom facilities, whether permanent or portable, to serve their members and guests during all hours of operation of the Private Outdoor Designated Area.

(c) All businesses operating within a Private Outdoor Designated Area shall comply with all requirements of the Kanawha-Charleston Health Department.

(d) All participating businesses within a Private Outdoor Designated Area shall make waste receptacles available during the operating hours of the Private Outdoor Designated Area in a number sufficient to contain the waste generated within the area and which are emptied regularly by each participating business as needed to ensure availability. These waste receptacles are in addition to the City of Charleston public waste receptacles in the area.

Sec. 6-157. – Revocation of City Manager Approval.

The City Manager may revoke the letter of approval of any Class S4 permit holder when doing so is in the interest of public safety by sending a revocation letter to both the permit holder and the WVABCA.

Sec. 6-158. – Suspension of Private Outdoor Designated Area.

The City Manager has the authority to suspend the operation of a Private Outdoor Designated Area immediately when in the interest of public safety by providing notice to all Class S4 permit holders within the Private Outdoor Designated Area and the WVABCA.

DIVISION 2. – CITY CENTER PODA

Sec. 6-166. – Creation and Boundaries.

(a) City Council for the City of Charleston hereby established a Private Outdoor Designated Area known as “City Center PODA”, which shall have the boundary as stated in subsection (b) of this section and which shall meet all of the requirements of this Article and applicable West Virginia Code.

Resolution No. 885-23

Introduced in Council:

October 2, 2023

Introduced by:

Chad Robinson and Bruce King

Adopted by Council:

Referred to:

Ordinance & Rules

Resolution No. 885-23 - Amending the Rules of Council by adding thereto a new rule, designated Rule No. 24, relating to privileges to the floor of council chambers during the meetings of city council.

Now, therefore, be it Resolved by the Council of the City of Charleston, West Virginia:

That the Rules of Council be amended by adding thereto a new rule, designated Rule No. 24, to read as follows:

Rule No. 24. – Floor Privileges.

For thirty minutes before Council is in session, when Council is in session, and for thirty minutes after Council session has ended, only members of council and City staff who are present for an official purpose are permitted to be on the floor of council: Provided, That any member of the public invited forward by the presiding officer is permitted to be on the floor of council. All other people shall remain in the gallery while the city council is in session. The first row of the gallery on the left side when facing the presiding officer shall be reserved for members of the media.

Resolution No. 885-23 Committee Substitute

Introduced in Council:

Ordinance & Rules

Resolution No. 885-23 Committee Substitute - Amending the Rules of Council by adding thereto atwo new rulerules, designated Rule No. 24 and Rule No. 25, relating to privileges to the floor of council chambers during the meetings of city council; and media credentials and general decorum.

Now, therefore, be it Resolved by the Council of the City of Charleston, West Virginia:

That the Rules of Council be amended by adding thereto atwo new rulerules, designated Rule No. 24 and Rule No. 25, to read as follows:

Rule No. 24. – Floor Privileges.

For ~~thirty-ten~~ minutes before Council is in session, when Council is in session, and for ~~thirty-ten~~ minutes after Council session has ended, only members of council and City staff who are present for an official purpose are permitted to be on the floor of council: Provided, That any member of the public invited forward by the presiding officer is permitted to be on the floor of council. All other people shall remain in the gallery while the city council is in session. The first row of the gallery on the left side when facing the presiding officer shall be reserved for credentialed members of the media.

Rule No. 25. – Media Credentials and Decorum.

These guidelines are intended to allow access to City Council and its members while minimizing distractions and disruptions of Council while in session.

A media applicant for media privileges must establish to the satisfaction of the presiding officer or any such representative he or she may appoint that the applicant is a full-time, paid correspondent who requires on-site access to members. Correspondents must be employed by a news organization whose principal business is the dissemination of original news and opinion of interest to a broad segment of the public. Freelance and contract employees must apply for credentials through a sponsoring publication, broadcast outlet, or website that meets all media guidelines for coverage of City Council. Applicants must not be engaged in any lobbying or paid advocacy, advertising, publicity or promotion work for any individual, political party,

1 candidate for office, corporation, organization or agency of the government, nor in
2 prosecuting any claim before the City of any City department and may not do so while a
3 member of the credentialed media. An applicant's publication must be a general news
4 organization, editorially independent of any institution, foundation or interest group that
5 lobbies the government. An applicant's publication must have members of their staff
6 currently credentialed by the West Virginia House of Delegates or West Virginia State
7 Senate. Press passes are good for one calendar year, and applicants must be
8 submitted anew each year. All correspondents' cards must be displayed at all times.
9 Citizen journalists or anyone employed by a group that lobbies council have the same
10 access as members of the general public.

11
12 Indecorous conduct, boisterousness or unbecoming language, audible remarks,
13 unnecessary conversation, laughter or gestures will not be permitted by credentialed
14 members of the media while covering City Council in chambers or committee rooms. It
15 is a breach of decorum to move about the chamber while council is in session.

16
17 Anyone who takes advantage of media privileges must obey all applicable
18 council rules during sessions. Anyone violating council rules is subject to removal.
19 Those rules include the following:

- 20 • Credentialed media are not permitted to approach council members while
21 session is taking place or at ease. Credentialed media should wait to approach
22 members after a recess or adjournment is declared.
- 23 • Credentialed media are asked to limit movement in the chamber.
- 24 • No one is permitted to walk between a member who has been recognized to
25 speak and the presiding officer.
- 26 • The presiding officer or the representative they appoint shall reserve the right to
27 refuse the issuance of or to revoke media credentials at their discretion, in
28 accordance with these guidelines for credentialed media and other applicable
29 Rules of Council.

Mary Beth Hoover, Chair

COMMITTEE REPORT

To: Miles Carey, City Clerk
From: Council's Committee on Planning, Streets and Traffic
Date: September 25, 2023
Subject: Bill No. 8005

The Committee on Planning, Streets and Traffic has had under consideration bill no. 8005 attached hereto and an made a part thereof:

The Committee finds:

1. The rezoning is a minor expansion of an existing commercial node; therefore, the request is not a spot rezoning.
2. The rezoning is consistent with the future land use map, which designates the area as a rural neighborhood with relaxed development standards; therefore, the request is consistent with the Comprehensive Plan; and
3. The rezoning will allow a resonable use of land without an adverse impact on the area.

and reports the same to Council with the recommendation that the bill do pass.

To: Miles Carey, City Clerk
From: Council's Committee on Planning, Streets and Traffic
Date: September 25, 2023
Subject: Bill No. 8006

The Committee on Planning, Streets and Traffic has had under consideration bill no. 8006 attached hereto and an made a part thereof:

The Committee finds:

1. The zoning is consistent with the future land use map in that it complies with the area's designation as a suburban neighborhood with a focus on single family homes and a more modern suburban character,
2. The proposed designation is the same as rest of the neighborhood which allows the parcel to be cohesively incorporated into the existing zoning map, and
3. The rezoning avoids spot rezoning since it's a minor expansion of an exisitng zoning distirct.

and reports the same to Council with the recommendation that the bill do pass.

Referred to:
Municipal Planning Commission
Planning, Streets and Traffic

Bill No. 8009 - A BILL to amend the Zoning Ordinance of the City of Charleston, as amended, by updating section 3-070 relating to temporary construction fencing.

Now, therefore, be it ordained by the Council of the City of Charleston:

That Section 03-070 of the Zoning Ordinance for the City of Charleston, as amended, is hereby amended to read as follows:

Sec. 3-070 Temporary Uses

A. Intent

Temporary Uses shall be permitted by the granting of a Temporary Zoning Permit issued by the Planning Director in accordance with the requirements of this section.

B. General Provisions

1. The duration of the temporary period is stated hereinafter, provided, however, renewal of the permit may be requested. The Planning Director is not obligated to renew such permits if doing so leads to a defacto permanent use.

2. Temporary Uses shall be subject to all the regulations of the applicable district in which they are located.

C. Permitted Temporary Uses

1. Temporary office, model home or model apartment, and related signs, both incidental and necessary for the sale, rental, or lease of real property in the district. Maximum duration: 18 months.

2. In any zoning district, temporary construction fencing may be authorized to enclose an active construction site if necessary to protect materials and equipment, to prevent unauthorized entry to the site, or to mitigate a threat to public safety. The fence shall be removed when construction activity

has been completed or discontinued or the hazard has been resolved.
Maximum duration: 90 days or as otherwise required by the Planning
Director.

23. Non-commercial concrete batching plant, both incidental and necessary to construction in the district. Maximum duration: 18 months.
34. Temporary building or yard for construction materials and equipment, both incidental and necessary to construction in the district. Maximum duration: 18 months.
45. Parking lot designated for a special event in a district. Maximum duration: 3 days.
56. Parking of recreational vehicles in the front yard for visitation. Maximum duration: 7 consecutive days, with a maximum total of 14 days per year. A permit shall not be required for this temporary use.
67. Mobile home as a temporary office during the period of construction and development. Maximum duration: 18 months.
78. Moving and storage containers parked in the front yard. Maximum duration: 30 days. A permit shall not be required for this temporary use.
89. Other similar uses deemed temporary by the Board of Zoning Appeals and attached with such time period, conditions and safeguards as the Board may deem necessary.

D. Standards

1. Adequate access and off-street parking facilities shall be provided which shall not interfere with traffic movement on adjacent streets.
2. No public address systems or other noise producing devices shall be permitted in a residential district.
3. Any flood lights or other lighting shall be directed upon the premises and shall not be detrimental to adjacent properties.
4. Signs shall not flash or blink or resemble traffic and emergency warning signals, and shall be limited in size to twenty (20) square feet each in number to three signs.
5. The lot shall be put in clean condition devoid of temporary use remnants upon termination of the temporary period.

Resolution No. 886-23 - Authorizing the Mayor or City Manager to purchase playground equipment and installation for Parks and Recreation from Miracle Recreation Equipment Company in the amount of \$83,911.00 pursuant to a competitively sourced multi-state contract. The purchase is part of the revitalization of Riverview Park located on Wertz Avenue.

Be it Resolved by the Council of the City of Charleston, West Virginia:

That the Mayor or City Manager is authorized to purchase playground equipment and installation for Parks and Recreation from Miracle Recreation Equipment Company in the amount of \$83,911.00 pursuant to a competitively sourced multi-state contract.

CITY OF CHARLESTON
Purchase Request

INSTRUCTIONS: This form must be submitted to the City Manager's Office for any purchase of materials or supplies costing **\$2,500 or more**. A minimum of 3 quotes is required for this form.

Date: 8/24/23

To: CITY MANAGER,

I request permission to purchase the following materials and/or supplies: _____

Playground equipment, playground border and surface material, 2 benches, and 1 shade
system.

Purchase justification: The purchase of this equipment is part of the revitalization of the
Riverview Park located on Wertz Ave. The current play equipment has been there for over
30 years which is now rusted and needs replaced.

If approved, the total purchase price will be: \$83,911

(Check One)

- ☐ The price is less than the \$25,000 permitted for purchases without advertising for bids and needing approval from City Council. I have not purposefully split the purchase request to keep the purchase under the \$25,000 threshold and have not favored a particular vendor. I have not shared competitive information with any vendor(s).
- ☐ The proposed vendor is a sole source provider for the materials/supplies requested. (Skip to **ITEM A** on page 2.)

I have contacted the following responsible vendors and have attached their written quotes for the requested item(s): (Minimum of 3 Quotes Required)

| 3. | <u></u> | Price Quote: \$ <u></u> |
| 4. | <u></u> | Price Quote: \$ <u></u> |
| 5. | <u></u> | Price Quote: \$ <u></u> |

The apparent low-bid vendor *meeting specifications* is: Miracle Recreation Equip. Co

AND

☒ The low-bid vendor is not delinquent on any financial obligations owed to the City of Charleston according to the City Collector's records, and I recommend authorizing the purchase through the low-bid vendor.

OR

☐ I recommend not contracting with the lowest bidder meeting specifications and instead recommend contracting with because:

Additionally, the recommended vendor is not delinquent on any financial obligations owed to the City of Charleston according to the City Collector's records.

ITEM A (For Sole Source Procurements ONLY)

Explain what is unique about this vendor/brand and why your department must purchase this product:

This vendor has a cooperative agreement through Sourcewell which requires no bid process.

Identify at least 1 independent third party who has verified the vendor is a sole source for the item(s) requested to be purchased, and submit his/her written opinion regarding the vendor's sole source status:

(Name & Phone Number)

REQUESTOR'S DECLARATION

I declare that I have fully complied with the letter and intent of the City Code as it pertains to procurement and have exercised reasonable precaution to procure the item(s) requested above at the lowest price, consistent with good service and quality.

I also declare that I have no personal or business relationship with the listed vendor(s) that would be considered a conflict of interest, except as follows:

3. Limitation of Warranty/ Indemnity. MIRACLE MAKES NO EQUIPMENT WARRANTIES EXCEPT FOR THOSE STANDARD WARRANTIES ISSUED WITH THE EQUIPMENT, WHICH ARE INCORPORATED HEREIN BY THIS REFERENCE. MIRACLE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ANY LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. CUSTOMER AGREES TO DEFEND, INDEMNIFY AND SAVE MIRACLE HARMLESS FROM ALL CLAIMS OF ANY KIND FOR DAMAGES OF ANY KIND ARISING OUT OF CUSTOMERS ALTERATION OF THE EQUIPMENT, ITS FAILURE TO MAINTAIN THE EQUIPMENT, ITS FAILURE TO PROPERLY SUPERVISE EQUIPMENT USE, OR ITS FAILURE TO PROVIDE AND MAINTAIN APPROPRIATE TYPES AND DEPTHS OF SAFETY SURFACING BENEATH AND AROUND THE EQUIPMENT IN ACCORDANCE WITH MIRACLES INSTALLATION AND OWNERS MANUALS AND THE MOST CURRENT CONSUMER PRODUCT SAFETY COMMISSION HANDBOOK FOR PUBLIC PLAYGROUND SAFETY.
4. Restrictions. Until all amounts due hereunder are paid in full, Customer shall not: (i) permit the Equipment to be levied upon or attached under any legal process; (ii) transfer title to the Equipment or any of Customer's rights therein; or (iii) remove or permit the removal of the Equipment to any location not specified in this Quote.
5. Purchase Money Security Interest. Customer hereby grants, pledges and assigns to Miracle, and Miracle hereby reserves a purchase money security interest in, the Equipment in order to secure the payment and performance in full of all of Customer's obligations hereunder. Customer agrees that Miracle may file one or more financing statements, in order to allow it to perfect, acquire and maintain a superior security interest in the Equipment.
6. Choice of Law and Jurisdiction. All agreements between Customer and Miracle shall be interpreted, and the parties' obligations shall be governed, by the laws of the State of Missouri without reference to its choice of law provisions. Customer hereby consents to the personal jurisdiction of the state and federal courts located in the city and county of St. Louis, Missouri.
7. Title; Risk of Loss; Insurance. Miracle Retains full title to all Equipment until full payment is received by Miracle. Customer assumes all risk of loss or destruction of or damage to the Equipment by reason of theft, fire, water, or any other cause, and the occurrence of any such casualty shall not relieve the Customer from its obligations hereunder and under any invoices. Until all amounts due hereunder are paid in full, Customer shall insure the Equipment against all such losses and casualties.
8. Waiver; Invalidity. Miracle may waive a default hereunder, or under any invoice or other agreement between Customer and Miracle, or cure such a default at Customer's expense, but shall have no obligation to do either. No waiver shall be deemed to have taken place unless it is in writing, signed by Miracle. Any one waiver shall not constitute a waiver of other defaults or the same kind of default at another time, or a forfeiture of any rights provided to Miracle hereunder or under any invoice. The invalidity of any portion of this Quote shall not affect the force and effect of the

remaining valid portions hereof.

9. Entire Agreement; Amendment; Binding Nature. This fully-executed Quote, as supplemented by Change Orders and invoices containing exact amounts of estimates provided herein, constitutes the complete and exclusive agreement between the parties. A Change Order is a written instrument signed by the Customer and Miracle stating their agreement as to any amendment in the terms of this Quote. Customer acknowledges that Change Orders may result in delays and additional costs. The parties agree that all Change Orders shall include appropriate adjustments in price and time frames relating to any requested amendments. Upon full execution, this Quote shall be binding upon and inure to the benefit of the parties and their successors and assigns.

10. Counterparts; Electronic Transmission. This Quote, any invoice, and any other agreement between the parties, may be executed in counterparts, each of which shall constitute an original. The facsimile or other electronic transmission of any signed original document and retransmission of any signed facsimile or other electronic transmission shall be the same as the transmission of an original. At the request of either party, the parties will confirm facsimile or other electronically transmitted signatures by signing an original document.

**Solicitation Number: RFP #010521****CONTRACT**

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and PlayPower, Inc., 11515 Vanstory Drive #100, Huntersville, NC 28078 (Vendor).

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Playground and Water Play Equipment with Related Accessories and Services from which Vendor was awarded a contract.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires February 17, 2025, unless it is cancelled sooner pursuant to Article 22. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.
- C. **SURVIVAL OF TERMS.** Articles 11 through 14 survive the expiration or cancellation of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

- A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new/current model. Vendor may offer close-out or refurbished Equipment or Products if they are clearly indicated in Vendor's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. **WARRANTY.** Vendor warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Vendor warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Vendor's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the Vendor's warranty will be passed on to the Participating Entity.

C. **DEALERS, DISTRIBUTORS, AND/OR RESELLERS.** Upon Contract execution, Vendor will make available to Sourcewell a means to validate or authenticate Vendor's authorized dealers, distributors, and/or resellers relative to the Equipment, Products, and Services related to this Contract. This list may be updated from time-to-time and is incorporated into this Contract by reference. It is the Vendor's responsibility to ensure Sourcewell receives the most current version of this list.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable

time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

B. SALES TAX. Each Participating Entity is responsible for supplying the Vendor with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcwell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Contract Administrator. This form is available from the assigned Sourcwell Contract Administrator. At a minimum, the request must:

- Identify the applicable Sourcwell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing

restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Vendor understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Vendor is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Vendor's employees may be required to perform work at government-owned facilities, including schools. Vendor's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Vendor that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Vendor. Typically, a Participating Entity will issue an order directly to Vendor. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration of this Contract; however, Vendor performance, Participating Entity payment, and any applicable warranty periods or other Vendor or Participating Entity obligations may extend beyond the term of this Contract.

Vendor's acceptable forms of payment are included in Attachment A. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Vendor, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be worked out directly between the Participating Entity and the Vendor. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements) not addressed in this Contract, the Participating Entity and the Vendor may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Vendor in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the goods to be purchased;
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements; or
3. Vendor commits any material breach of this Contract or the additional terms agreed to between the Vendor and a Participating Entity.

E. **GOVERNING LAW AND VENUE.** The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

A. **PRIMARY ACCOUNT REPRESENTATIVE.** Vendor will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Participating Entity inquiries; and
- Business reviews to Sourcewell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Vendor must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Vendor must provide a contract sales activity report (Report) to the Sourcewell Contract Administrator assigned to this Contract. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Vendor must submit a report indicating no sales were made).

The Report must contain the following fields:

- Customer Name (e.g., City of Staples Highway Department);
- Customer Physical Street Address;
- Customer City;
- Customer State/Province;
- Customer Zip Code;
- Customer Contact Name;
- Customer Contact Email Address;
- Customer Contact Telephone Number;
- Sourcewell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Vendor.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Vendor will pay an administrative fee to Sourcewell on all Equipment, Products, and Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Vendor may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Vendor will submit payment to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Vendor's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Vendor agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Vendor is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Vendor in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Vendor's Authorized Representative is the person named in the Vendor's Proposal. If Vendor's Authorized Representative changes at any time during this Contract, Vendor must promptly notify Sourcewell in writing.

10. AUDIT, ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. **AUDIT.** Pursuant to Minnesota Statutes Section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant this Agreement are subject to examination by Sourcewell or the Minnesota State Auditor for a minimum of six years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

B. **ASSIGNMENT.** Neither the Vendor nor Sourcewell may assign or transfer any rights or obligations under this Contract without the prior consent of the parties and a fully executed assignment agreement. Such consent will not be unreasonably withheld.

C. **AMENDMENTS.** Any amendment to this Contract must be in writing and will not be effective until it has been fully executed by the parties.

D. **WAIVER.** If either party fails to enforce any provision of this Contract, that failure does not waive the provision or the right to enforce it.

E. **CONTRACT COMPLETE.** This Contract contains all negotiations and agreements between Sourcewell and Vendor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party. For any conflict between the attached Proposal and the terms set out in Articles 1-22, the terms of Articles 1-22 will govern.

F. **RELATIONSHIP OF THE PARTIES.** The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their

respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. LIABILITY

Vendor must indemnify, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees, arising out of the performance of this Contract by the Vendor or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications.

12. GOVERNMENT DATA PRACTICES

Vendor and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Contract.

If the Vendor receives a request to release the data referred to in this article, the Vendor must immediately notify Sourcewell and Sourcewell will assist with how the Vendor should respond to the request.

13. INTELLECTUAL PROPERTY, PUBLICITY, MARKETING, AND ENDORSEMENT

A. INTELLECTUAL PROPERTY

1. *Grant of License.* During the term of this Contract:
 - a. Sourcewell grants to Vendor a royalty-free, worldwide, non-exclusive right and license to use the Trademark(s) provided to Vendor by Sourcewell in advertising and promotional materials for the purpose of marketing Sourcewell's relationship with Vendor.
 - b. Vendor grants to Sourcewell a royalty-free, worldwide, non-exclusive right and license to use Vendor's Trademarks in advertising and promotional materials for the purpose of marketing Vendor's relationship with Sourcewell.
2. *Limited Right of Sublicense.* The right and license granted herein includes a limited right of each party to grant sublicenses to its and their respective distributors, marketing representatives, and agents (collectively "Permitted Sublicensees") in advertising and promotional materials for the purpose of marketing the Parties' relationship to Participating Entities. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this Article by any of their respective sublicensees.
3. *Use; Quality Control.*

- a. Sourcewell must not alter Vendor's Trademarks from the form provided by Vendor and must comply with Vendor's removal requests as to specific uses of its trademarks or logos.
 - b. Vendor must not alter Sourcewell's Trademarks from the form provided by Sourcewell and must comply with Sourcewell's removal requests as to specific uses of its trademarks or logos.
 - c. Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party's Trademarks only in good faith and in a dignified manner consistent with such party's use of the Trademarks. Upon written notice to the breaching party, the breaching party has 30 days of the date of the written notice to cure the breach or the license will be terminated.
4. As applicable, Vendor agrees to indemnify and hold harmless Sourcewell and its Participating Entities against any and all suits, claims, judgments, and costs instituted or recovered against Sourcewell or Participating Entities by any person on account of the use of any Equipment or Products by Sourcewell or its Participating Entities supplied by Vendor in violation of applicable patent or copyright laws.
5. *Termination.* Upon the termination of this Contract for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party's name or logo (excepting Sourcewell's pre-printed catalog of vendors which may be used until the next printing). Vendor must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell's written directions.

B. **PUBLICITY.** Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Vendor individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

C. **MARKETING.** Any direct advertising, marketing, or offers with Participating Entities must be approved by Sourcewell. Materials should be sent to the Sourcewell Contract Administrator assigned to this Contract.

D. **ENDORSEMENT.** The Vendor must not claim that Sourcewell endorses its Equipment, Products, or Services.

14. GOVERNING LAW, JURISDICTION, AND VENUE

Minnesota law governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state court in Todd County or federal court in Fergus Falls, Minnesota.

15. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

16. SEVERABILITY

If any provision of this Contract is found to be illegal, unenforceable, or void then both Sourcewell and Vendor will be relieved of all obligations arising under such provisions. If the remainder of this Contract is capable of performance, it will not be affected by such declaration or finding and must be fully performed.

17. PERFORMANCE, DEFAULT, AND REMEDIES

A. **PERFORMANCE.** During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. *Notification.* The parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Vendor will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. *Escalation.* If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Vendor may escalate the resolution of the issue to a higher level of management. The Vendor will have 30 calendar days to cure an outstanding issue.
3. *Performance while Dispute is Pending.* Notwithstanding the existence of a dispute, the Vendor must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Vendor fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, any additional costs incurred by Sourcewell and/or its Participating Entities as a result of such failure to proceed will be borne by the Vendor.

B. **DEFAULT AND REMEDIES.** Either of the following constitutes cause to declare this Contract, or any Participating Entity order under this Contract, in default:

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

Written notice of default and a reasonable opportunity to cure must be issued by the party claiming default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

18. INSURANCE

A. REQUIREMENTS. At its own expense, Vendor must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. *Workers' Compensation and Employer's Liability.*

Workers' Compensation: As required by any applicable law or regulation.

Employer's Liability Insurance: must be provided in amounts not less than listed below:

Minimum limits:

\$500,000 each accident for bodily injury by accident

\$500,000 policy limit for bodily injury by disease

\$500,000 each employee for bodily injury by disease

2. *Commercial General Liability Insurance.* Vendor will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.

Minimum Limits:

\$1,000,000 each occurrence Bodily Injury and Property Damage

\$1,000,000 Personal and Advertising Injury

\$2,000,000 aggregate for Products-Completed operations

\$2,000,000 general aggregate

3. *Commercial Automobile Liability Insurance.* During the term of this Contract, Vendor will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer), or equivalent.

Minimum Limits:

\$1,000,000 each accident, combined single limit

4. *Umbrella Insurance*. During the term of this Contract, Vendor will maintain umbrella coverage over Workers' Compensation, Commercial General Liability, and Commercial Automobile.

Minimum Limits:

\$2,000,000

5. *Professional/Technical, Errors and Omissions, and/or Miscellaneous Professional Liability*. During the term of this Contract, Vendor will maintain coverage for all claims the Vendor may become legally obligated to pay resulting from any actual or alleged negligent act, error, or omission related to Vendor's professional services required under this Contract.

Minimum Limits:

\$2,000,000 per claim or event

\$2,000,000 – annual aggregate

Failure of Vendor to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Vendor must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Contract Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf.

Failure to request certificates of insurance by Sourcewell, or failure of Vendor to provide certificates of insurance, in no way limits or relieves Vendor of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Vendor agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Vendor's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Vendor, and products and completed operations of Vendor. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Vendor or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance

maintained by the Vendor or its subcontractors. Where permitted by law, Vendor must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

19. COMPLIANCE

A. LAWS AND REGULATIONS. All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. LICENSES. Vendor must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with Sourcewell and Participating Entities.

20. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Vendor certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Vendor declares bankruptcy, Vendor must immediately notify Sourcewell in writing.

Vendor certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Vendor further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

21. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may also require additional requirements based on specific funding specifications. Within this Article, all references to “federal” should be interpreted to mean the United States federal government.

The following list only applies when a Participating Entity accesses Vendor's Equipment, Products, or Services with United States federal funds.

A. **EQUAL EMPLOYMENT OPPORTUNITY.** Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. **DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

C. **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708).** Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40

hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Vendors must file any required certifications. Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any

agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Vendors must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Vendors must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Vendor must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Vendor further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Vendor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Vendor must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

22. CANCELLATION

Sourcewell or Vendor may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Vendor's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

We will be recognized as the leader for inspiring and creating innovative products and providing superior customer service. We will leverage our brands globally to the benefit of those who use our products and to our customers, employees, and shareholders. PlayPower VALUES honesty and integrity, respect and caring for others, openness and collaboration, individual and team accountability, passion and purpose. PlayPower began in 1927 with Miracle Recreation and is now comprised of multiple companies (brands) focused on playgrounds, commercial recreation and leisure. PlayPower's impressive portfolio of companies include: - o Miracle Recreation Equipment Company - o Little Tikes Commercial - o Playworld - o Wabash Valley - o EZ Dock - o USA Shade & Fabric Structures - o Soft Play - o Playtime - o No Fault - o Tayplay - o HAGS (international only) PlayPower's companies are leaders in the markets in which they serve and in combination, have HUNDREDS of years of experience bringing play and recreation to life.
8	What are your company's expectations in the event of an award?	• We will launch our contract heavily by targeting Sourcewell members with all of our North American brands: Little Tikes Commercial, Miracle Recreation, Playworld, EZ Dock, Soft Play, USA Shade, Wabash Valley and No Fault • We will continue to lead Sourcewell as our North American and Canadian cooperative contract solution, marketing through our corporate websites, dealer/rep websites, catalogs, brochures, mailings, social media, and trade shows • Our expectation, with having multiple brands in our portfolio, and as a turnkey solution, PlayPower's Sourcewell contract sales would exceed \$100M over the term of the contract.
9	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	Please refer to the PlayPower Holdings Inc. and Subsidiaries 2019 Final pdf attached to this response.
10	What is your US market share for the solutions that you are proposing?	According to the Q2 2020 IPEMA Report (latest report), PlayPower's Outdoor Playground equipment market share is approximately 33.0% in the United States.
11	What is your Canadian market share for the solutions that you are proposing?	According to the Q2 2020 IPEMA Report (latest report), PlayPower's market share is 26.0% in Canada.
12	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	No

13	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization. a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	PlayPower, Inc. Is a manufacturer of Recreation and Playground Equipment, Accessories and Supplies. PlayPower Inc., with a few exceptions of direct sales representatives, operates with independent representatives/dealers that cover all areas of North America and Internationally. All representatives, as contractually responsible, sell, deliver and coordinate installation of all products proposed within this RFP. In addition, PlayPower's installers are factory certified to repair and service PlayPower's recreation and playground equipment, accessories, and supplies.	*
14	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	PlayPower is licensed to sell in all 50 states, 10 provinces and globally. We are committed to provide Sourcewell and their members a safe, enjoyable, positive environment to play and grow. Our commitment to provide such an environment begins with meeting and/or exceeding safety performance specifications established by organizations and regulatory bodies such as ASTM International, CPSC, CSA and EN. We not only comply with these standards and guidelines, we also actively participate in ASTM and CPSC development, and are active members of IPEMA. Our employees, sales representatives, distributors, dealers and trained installers take great pride in the commitment of safety in every aspect of designing, manufacturing and installing recreation and playground equipment, accessories and supplies. They have the knowledge and experience to provide positive recreation and play environments that offer challenge and maximum play value for children of all ages and abilities. In the interest of safety, IPEMA provides a third-party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487 & ASTM F2373, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use. The use of the corresponding logos in all of PlayPower's outdoor brand catalogs signifies PlayPower has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms with the requirements of the indicated standard. Please refer to IPEMA's web site to confirm product certification.	*
15	Provide all "Suspension or Debarment" information that has applied to your organization during the past ten years.	None	*

27	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	All products and services proposed by PlayPower in this RFP are available to Sourcewell members in all 50 US states.	*
28	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	All products and services proposed by PlayPower in this RFP are available to Sourcewell members in the 10 provinces of Canada.	*
29	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	PlayPower covers ALL geographic areas of the United States and Canada.	*
30	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	PlayPower serves all participating entity sectors and does not have any limitations to do so.	*
31	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	There are not any contract restrictions that would apply to members in Hawaii, Alaska and in the US territories.	*

Table 7: Marketing Plan

Line Item	Question	Response *
32	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	General Marketing Program Strategy: The marketing plan objective is to increase the sales closure rate of SOURCEWELL projects by providing high-quality leads and effective sales tools to our sales representatives. We will promote the program nationally, including a multi-program approach that overlays with our current marketing strategy and plans. Details of those programs are as follows: Catalogs/Brochures • SOURCEWELL Brochures • We have created brochures (one per brand) detailing the benefits of our SOURCEWELL contract that is utilized during sales presentations and trade shows. • Full Line Catalogs • Our full line product catalog is produced and distributed annually and is available in January. • We include information regarding the SOURCEWELL program within the catalogs. Websites: • Features SOURCEWELL in our partner and funding pages on each of our brand websites • https://www.miracle-recreation.com/planning/our-partners/sourcewell/ • https://littletikescommercial.com/sourcewell/ • https://playworld.com/sourcewell • https://www.softplay.com/capabilities/njpa/ • https://www.ez-dock.com/resources/njpa/ Email/PR: • Email Campaigns • SOURCEWELL will be featured in email campaigns to those individuals that have opted-in to that brand e-communications. Social: • Social Media Campaigns • Posts on various social platforms, including Facebook and LinkedIn, per brand Trade Shows • We have a trade show plan in place and shall include representation of the program at each trade show including product brochures. • The 3 outdoor play brands have large booths at the annual NRPA & ASLA tradeshow. Sales Tools/Training • PowerPoint sales presentation was created to discuss selling features and benefits of our Sourcewell contract for PlayPower's representatives. • Regular email newsletter to PlayPower sales representatives from sales VPs, promoting the Sourcewell contract and our sales tools for promoting our Sourcewell contract. • Sales representative communication portal provides training/sales tools/resources for our sales representatives to help promote our Sourcewell contract, programs and services. Examples of our marketing materials as they relate to SOURCEWELL are included separately in the PowerPoint which has been included with this RFP submittal.
33	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	Our current marketing strategy includes programs to promote our Sourcewell contract, products and services through multiple digital media channels including: • Brand websites, on partner and funding pages • Email marketing campaigns • Social media, including Facebook and LinkedIn
34	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	We would expect Sourcewell to market this partnership on Sourcewell's website, at trade shows, in publications and directly to its members. We would expect on rare occasions, a representative of Sourcewell to potentially help with customer calls & visits when needed, and also to attend our annual sales meetings for our outdoor equipment brands. In understanding of this, PlayPower Inc. understands that the success of this program is most contingent upon our marketing of this partnership in the marketplace through publication, trade shows, our websites and direct-to-customer marketing through our vast network of representatives. PlayPower takes great pride in its brands and looks forward to continuing to work with Sourcewell and marketing a partnership that includes sales training for all of our rep partners/distributors/dealers, catalogs and digital marketing. Our commitment and message to Sourcewell and its members will always remain clear and constant: we are 100% committed to Sourcewell from our executive level through our rep network.
35	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	Products and services are not available through an e-procurement ordering process. Playgrounds and recreation related products are often very custom driven project by project. Because of this, an e-procurement solution is not feasible with PlayPower's offering of products and services.

Table 8: Value-Added Attributes

Line Item	Question	Response *
36	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	PlayPower is committed to providing safe, reliable products. There is not a need to train Sourcewell members since all of our representatives, dealers, distributors and installers go through extensive product training. Sourcewell members have been invited to visit our factories, however formal training is not required.
37	Describe any technological advances that your proposed products or services offer.	Pride in Engineering and Design: Whatever Sourcewell members' level of recreation and/or playground expertise is, PlayPower will provide as much help as needed. Members can virtually design their own playground equipment, or our network of design consultants will assist every step of the way. Our advanced computer-assisted design (CAD) capabilities provide customers with the most versatile, accurate commercial playground equipment design service available. Our designers use advanced solid modeling (3D) design software to develop new and exciting products. Direct electronic access to accurate, up-to-date product information is available to all PlayPower personnel, which includes PlayPower sales representatives, who can do on-the-spot CAD designs for customers. The design(s) then transmits to our internal system for production. Our consultants have access to all product documentation at all times and can produce instant two-dimensional top views or hidden-line three-dimensional proposal drawings of any custom design. They can also send information to PlayPower for rapid production of high-resolution color views of the design in a variety of sizes. Quality Products, Manufacturing, and Installation: PlayPower's commercial playground equipment, play structures, dock systems etc. are manufactured utilizing proven processes that have been honed over our over combined 200+ years in business. Our state-of-the-art manufacturing processes include, but are not limited to: • Powder-coating paint system • Computer Numeric Controlled pipe/tube bending and plasma cutting for precise and fun designs • Rotational molding machines, including the largest in the industry-- which provide the capacity for more innovative and fun products • Compounded Resin – First in the industry to make/mix our own compounded resins. This is virtually a 99.9999% recycled process with minimal waste. • Laser Tube Cutting – The first manufacturer in the industry to offer this precision method of cutting and creating intricate designs • MIG/TIG weld stations • Robotic welding • Fiberglass fabrication • Custom manufacturing – one of only a few playground manufacturers in the world to offer this • In-house CAD design team to help create your dream playground • All PlayPower representatives and installers are factory trained and certified • PlayPower has a custom design group and custom design facility enabling us to meet every need of Sourcewell members • PlayPower has the engineering, design and manufacturing capability to custom build a greater breadth of equipment than any other source, i.e. outdoor (steel & wood), contained play, early childhood themed, etc. Materials and Innovation: PlayPower creates state-of-the-art recreation, playground equipment, outdoor fitness, dock systems, contained play systems, shade, benches, tables, etc. utilizing the best in materials and processes. Just a few of our state-of-the-art innovations and features are: • Versalok® II clamping system makes installation of components a snap. The clamp is made from up to 100% recycled aluminum alloy, and all fastening hardware is stainless steel and tamper-resistant. • GatorGrip® - Miracle's handrails and rungs feature GatorGrip, with a texture that is friendly and reassuring to small hands. • Flo-Coat® - Our state-of-the-art Flo-Coat® steel tubing was developed specifically for children's playground equipment, and is zinc galvanized coated inside and out for superior resistance to abrasions, scratches, salt, and the elements. • Mira-Cote® - All metal components are finished with Mira-Cote- a durable, electrostatically applied, non-toxic, lead-free, polyester powder coating that's available in almost 30 colors. • Mira-Therm® - All decks, steps, ramps, and bridges, as well as a variety of complementary items, are coated with Mira-Therm®, our proprietary brand of polyvinyl chloride (PVC) containing UV stabilizers, color pigments, and flame retardants. Mira-Therm® coated punched steel with folded edges provides quick drainage, with holes too small for fingers. • Naturtek - Our exclusive material is the most realistic natural imitation in the marketplace. It not only looks real, but feels real. That's because we've been able to replicate the actual

look and feel of real rocks, trees and stumps. This product is unlike any other.

- Gelefish - We've transformed the playground by fusing trend-setting designs with traditional play events that kids love. Gelefish offers a customizable design with countless possibilities of play component configurations delivering more fun-per-foot.
- EZ Dock Flotation Chambers - Simply put, our patented flotation design creates stability. When you walk on an EZ Dock, you will immediately notice the difference when compared to other floating docks. Our docks don't just float, they actually enhance steadiness thanks to the compression and suction of the hollow chambers on the underside.
- EZ Dock Connection Couplers - EZ Dock's patented connection couplers allow sections to move independently under high-stress conditions, while still providing unified firmness. Plus, our polyethylene construction provides outstanding modularity, buoyancy, functionality and safety.
- NEOS outdoor electronic playgrounds were the first of its kind introduced in the marketplace. Our fun electronic games inspire kids of all ages to go out and play.
- PlayArmor™ is the first antimicrobial coating specifically introduced in the recreation industry that protects playground equipment and site amenities. It was created by biochemists and has been registered for use by the US Environmental Protection Agency (EPA). We are currently working and expect to have EPA approval on having PlayArmor approved in each of the 50 US states and similar approvals in all provinces in Canada.

Product Testing & Conformance:

PlayPower has developed and maintained one the most strenuous product testing programs in the industry. Product safety starts before the concept phase of the development process. Our staff plays a very active role in the development and maintenance of safety and performance guidelines and standards, not only here in the U.S., but also internationally. Injury trends and market changes are tracked and we proactively implement this knowledge to our current and future products. During the design phase of development, we use sophisticated software to check and validate designs prior to prototyping. We test for safety conditions, such as entrapment or protrusions, as well as structural performance using finite element analysis. Once a concept is approved, a prototype product is developed and all testing is repeated using the physical model. The most severe testing requirements gleaned from standards worldwide are applied to prototypes. Components are subjected to loading requirement of various standards and the product is re-analyzed after the test to make sure any permanent deformation does not affect product safety. These loading requirements have large factors of safety built in, which cover situations of misuse and abuse. In addition to the normal static loading requirements that define structural performance in playground standards like ASTM F1487, PlayPower takes testing to a higher level. All moving and selected stationary products are subjected to dynamic testing which simulates usage over the life of the product. Components are loaded with the weight of the maximum user and cycled through their normal motion range for at least one million cycles. This process identifies material stresses or component wear that are missed in static load testing. We do not stop testing when a product is introduced to the market. We maintain a company policy that no test may exceed a 5-year span, which equates to retesting more than 20% of our released product annually. We also participate in the IPEMA (International Play Equipment Manufacturers Association) Equipment Certification Program which is a 3rd party validation process of our ASTM required testing. All playground products can be found on the IPEMA certification program website and a certificate of compliance can be generated and printed. PlayPower also conducts ongoing testing of our materials via UV and salt spray testing. Daily tests are conducted of production systems including paint/coatings cure and adhesion testing, impact testing, and color verification and cure testing on plastic components.

- PlayPower has the most diversified line of products & services in the industry with well over 300 combined years of business experience.
- PlayPower is the world's largest fully integrated manufacturer of commercial playground equipment and recreation equipment accessories and supplies.

38	Describe any “green” initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	Environmentally friendly playgrounds aren't a passing fad, they're here for good. Playing is serious business, especially when you consider that playtime helps promote creativity, problem-solving, ability and intellectual development. That's precisely why we pay extra-special attention to our playgrounds and site furnishings. Simple design changes go a long way towards improving how children play, learn and interact with nature. PlayPower creates playgrounds that are fantastic for your budget, Mother Nature, and most importantly, the kids. We recycle unused powder coat paint in certain colors, after it is properly reclaimed during the painting process. Imagine piles of crumpled steel and truckloads of aluminum cans transformed into state-of-the-art playground equipment. That's essentially what happens when PlayPower puts recycling to work. We produce our playground equipment using as much recycled and recyclable material as we can use, while still maintaining the safety, durability and structural integrity you have come to expect from PlayPower. PlayPower's steel posts, handrails, and guardrails are sturdy, durable, and economical, and are made from at least 50% recycled steel. Post clamps and caps are made from as much as 100% post-consumer aluminum. And our roto-molded plastic slides are made from 100% recyclable resins. Simply put, nearly all of PlayPower's playground equipment is produced from at least 50% recyclable materials. • PlayPower meets ISO 9001, ISO 14001Standards • Other environmental initiatives: • All packing and shipping materials are 100% recyclable. • Recycling 95%+ of our waste. • Many of our raw materials contain 25% to 100% recycled content. • Reduced energy usage through conservation and lean manufacturing implementation. • Audits material content and operations for safety and environmental concerns	*

41	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	• PlayPower has a large, 700+ group of professional sales representatives/distributors/dealers to provide service to Sourcewell members. No one else in the industry even comes close to this! This provides a significant advantage for Sourcewell members in being able to find all of their recreation and playground equipment needs in one place with PlayPower. • PlayCreator - Proprietary Software with Safety & ADA Accessibility in mind • PlayCreator, our proprietary playground design, rules-based software systems only allow ADA compliancy design. Our commitment is to provide accessible playground equipment in order to promote a positive play environment for children of all abilities. We believe play must be inclusive, and by removing barriers for all children, we provide play and learning opportunities which we are excited and proud of. Providing accessibility to the play space entails more than just complying with minimum accessibility requirements, standards and laws. It means providing a place where children of all abilities can experience play together. PlayPower's play equipment allows customers to configure play areas that are compliant with the Americans with Disabilities Act (ADA) Accessibility Guidelines for Play Areas. • Design for Safety • Nothing is more important than providing a safe, positive environment for children to play. Our commitment to providing such an environment begins with meeting and/or exceeding safety performance specifications established by organizations and regulatory bodies such as ASTM International, CPSC, CSA and EN. We not only comply with these standards and guidelines we also actively participate with ASTM and CPSC in their development, and we are active members of IPEMA. Our employees, sales representatives, and trained installers take great pride in this commitment to safety in every aspect of designing, manufacturing and installing playground equipment, and they have the knowledge and experience to provide positive play environments that offer challenge and maximum play value for children of all ages and abilities. In the interest of playground safety, IPEMA provides a third-party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use. The use of the corresponding logo in our catalogs signifies that we have received written validation from the independent laboratory that product(s) conform to the requirements of the indicated standard. SOURCEWELL members can also check the IPEMA web site to confirm product certification. • Financing • Financing - PlayPower has a business relationship and partnership with NCL Government Capital as our financing option for our public & non-profit markets • World's Largest, Fully Integrated Manufacturer • Rotational Molding – not all manufacturers do this in-house • Soft Goods Assembly • PlayPower is 100% committed to Sourcewell and its members as we have already proven during our previous contract periods • David Sheedy has had proven success in launching, promoting, selling and scaling our Sourcewell contract to its current level of success. David is anxious and excited to do this again with all of our new brands and our entire sales network. • PlayPower is already familiar inside and out with Sourcewell and the needs of Sourcewell members. • We have a proven track record from selling our previous Sourcewell contracts. More importantly, we help sell the benefits of Sourcewell and ALL of its contracts – we have proven that we make Sourcewell stronger and this is to the benefit of Sourcewell, its members and other Sourcewell vendors.

Table 9: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *	
42	Do your warranties cover all products, parts, and labor?	As a manufacturer of recreation and playground equipment, accessories and supplies, we warranty our materials and workmanship only. All labor, including installation and repairs can be coordinated and quoted on a case by case basis with our Representative/Distributor/ Dealer Network. A complete listing of our Representative/Distributor/ Dealer Network has been provided.	*
43	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	There are no usage limit restrictions with our warranty. Warranty statements for all of our brands have been supplied with this RFP submittal.	*
44	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Industry standards dictate that travel time is not covered under warranty. While there are some exceptions, PlayPower typically adheres to this standard.	*
45	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	All PlayPower brands can provide warranty repairs in all regions of the United States and Canada.	*
46	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	PlayPower does not warranty products and services from other manufacturers. Any products sold from other manufacturers as a turn-key solution carry a warranty provided by the original manufacturer.	*
47	What are your proposed exchange and return programs and policies?	While the product is standard, the design of Recreation and Playground Equipment accessories and supplies is very customized. Due to this, PlayPower requires a 30% restocking fee for returns and exchanges.	*
48	Describe any service contract options for the items included in your proposal.	All of PlayPower's Representatives, Distributors, Dealers and Installers are factory trained and certified to sell and/or service and repair our products. All warranty and service work will be coordinated between the SOURCEWELL member and our representatives.	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *	
49	What are your payment terms (e.g., net 10, net 30)?	Net 30 days upon invoicing	*
50	Describe any leasing or financing options available for use by educational or governmental entities.	PlayPower has partnered with NCL Government Capital to offer Sourcewell members a complete suite of finance solutions. NCL is a current Sourcewell financing contract holder and is an industry expert in municipal financing solutions. NCL will offer leasing terms from 12-120 months on transactions from \$5,000.00 and up. Traditional leasing and financing programs will be offered along with programs specifically designed for schools and governmental entities including Tax-Exempt Municipal Leases and a Purchase Order Only program. There is no ownership, common ownership, or control between PlayPower and NCL.	*
51	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell participating entities' purchase orders.	PlayPower often will invoice Sourcewell members directly which makes gathering of sales data very straightforward. Reps/dealers when billing directly are required to provide copies of purchase orders from members which will include PlayPower's Sourcewell contract number and the Sourcewell Member number. The proposed process will follow our current Sourcewell process that requires orders to be coded as an Sourcewell order at the time of submission.	*
52	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	No. The benefits of P-card procurement is most beneficial for smaller transactions. PlayPower's average playground sold exceeds \$35,000 so the real benefits of P-card would not be recognized.	*

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	
53	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Due to the size and scope of our product offering along with eight separate brands (companies) offered in this proposal and the discount structures varying by brand, a separate pricing discount file has been provided with this RFP submittal. Please refer to the uploaded Sourcewell RFP 010521 Pricing-Discount File.	*
54	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	As stated previously, due to the size and scope of our product offering along with eight separate brands (companies) offered in this proposal and the discount structures varying by brand, a separate pricing discount file has been provided with this RFP submittal. Please refer to (list document name)	*
55	Describe any quantity or volume discounts or rebate programs that you offer.	Volume Rebates (per calendar year): 1. \$500,000 - \$999,999 1% rebate 2. \$1,000,000 - \$1,499,99 2% rebate 3. \$1,500,000+ 3% rebate	*
56	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	This service is coordinated by our independent representative/distributor/dealer networks. In the event PlayPower is doing the billing, we simply do a pass through with no markup on these services. Each service can vary due to location, size and scope of work.	*
57	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Some projects related to our recreation and playground equipment products, accessories and supplies can be material-only procured or more often, a turn-key solution. In the event of a turnkey solution project, sourced work such as installation, curbing, sidewalks, landscaping, and any other types of non-equipment related work could be involved. This service can be coordinated by our independent representative/distributor/dealer networks. In the event PlayPower is doing the billing, we simply do a pass-through with no markup on these services. Each service can vary due to location, size and scope of work. Installation is specifically addressed in the pricing discount schedule which is provided with this RFP submittal.	*
58	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Any additional freight cost will be evaluated by PlayPower's shipping department. The best available rate and service will be passed on to Sourcewell members during the quote process.	*
59	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	As is the case in the 48 contiguous United States, freight is the responsibility of the SOURCEWELL member. Additional freight charges will be evaluated by PlayPower's shipping department and the best available rate and service will be passed on to the Sourcewell member during the quote process.	*
60	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Where it makes sense, we use Intermodal freight transport which involves the transportation of freight in an intermodal container or vehicle, using multiple modes of transportation (rail, truck, ship), without any handling of the freight itself when changing modes. The method reduces cargo handling, and so improves security, reduces damage and loss, and allows freight to be transported faster. Reduced costs over road trucking is the key benefit.	*

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
61	c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.	

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
62	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	• PlayPower's order entry system has required point and click requirements as it relates to contracts. When an order is entered, the system literally prompts the user with the question "Is this a Sourcewell project?" and the user is required to answer YES or NO to proceed. The order entry system also checks for minimum discount compliance. • All Sourcewell orders are also reviewed manually for compliance to ensure minimum Sourcewell pricing discounts and are entered with a Sourcewell code to ensure proper reporting and administrative fee. • In addition, management reviews total amount of Sourcewell sales for accuracy and evaluates representatives' performance selling the Sourcewell contract on an annual basis. • Sourcewell sales tracking is included in PlayPower's corporate budgeting process.	*
63	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	We propose a 1% administrative fee for all PlayPower Equipment sold. This is calculated at LIST PRICES and not discounted net sales. In addition, we propose a 1% administrative fee for all open market/turnkey solution products, work and services billed and provided to SOURCEWELL members directly from PlayPower or through our independent representative/distributor/dealer network.	*

Table 14A: Depth and Breadth of Offered Equipment Products and Services

Line Item	Question	Response *	
64	Provide a detailed description of the equipment, products, and services that you are offering in your proposal.	• Playground Equipment • Shade – freestanding and playground equipment integrated • Surfacing – unitary, loose fill, tile • Docking Systems – boat & PWC lifts, swim platforms • Indoor contained play systems	*
65	Within this RFP category there may be subcategories of solutions. Proposer's Affidavit

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
6. If awarded a contract, the Proposer will provide to Sourcwell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcwell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcwell Members under an awarded Contract.
9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
10. The Proposer understands that Sourcwell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:
 - a. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: <https://www.treasury.gov/ofac/downloads/sdnlist.pdf>;
 - b. Included on the government-wide exclusions lists in the United States System for Award Management found at: <https://sam.gov/SAM/>; or
 - c. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated

by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

☒ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Christine Stepp, Sales, Marketing and Contract Administrator, PlayPower, Inc.

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

10 Project Description:

Dance floor panels (4 x 4) to increase inventory to accommodate simultaneous multiple event needs. The current inventory is one dance floor, functional, but is 20 years old and labor intensive. The new dance floor systems are designed to set up by 2 staff in under 15 minutes, using heavy duty magnetic attachment system. Removal is under 10 minutes with 2 staff.

This new system can be added to with additional panel purchases if we ever are requested to provide a larger dance floor.

11 Justification:

We have had to resort to selling events with "dance floor space", however on carpet it isn't a preferred approach.

We have an increase in events (party) that request a dance floor for their function. We have sold all of our space for holiday parties with multiple dance floor requests. We cannot charge a customer for sport court as a substitute for an appropriate dance floor, nor is a sport court in keeping with the exceptional experience we strive to deliver.

Rental income is generated from the use of dance floors, covering set up cost, however the current system requires twice the labor to set up and remove. The ROI on labor expense is minimal, time saving is valuable and customer experience is critical.

We propose to use this new dance floor as the primary system and the existing floor system for back up to cover multiple dates.

12 List of equipment needed for this project (be as descriptive as possible -- attach separate sheet if needed):

From Pre-Qualified Vendor: MityLite

The total purchase price is \$ 62,987.86, which (please check one):

☐ is less than the \$25,000 permitted for purchases without advertising for bids and needing approval from Charleston City Council. I have not purposely split the purchase request in order to keep the purchase under the \$25,000 threshold and have not favored a particular vendor. I have not shared competitive information with any vendor(s).

☐ This vendor is a sole source provider of the materials/supplies requested. (Skip to **ITEM A** on pg. 2)

OR

I have contacted the following pre-qualified vendors and have attached their written offers for the same item(s):

1. _____ Price Offered: \$ _____

2. _____ Price Offered: \$ _____

3. _____ Price Offered: \$ _____

If the lowest price vendor was not selected, please explain: _____

☒ is more than the \$25,000 maximum allowed for the purchase of materials and supplies without advertising for bids. However, the pre-qualified vendor listed above is a **sole source** for the materials and supplies requested. I have attached a letter from the above listed vendor, on that vendor's letterhead, stating the vendor's sole source status.

ITEM A (complete if requesting a Sole Source Purchase):

Explain what is unique about this vendor/brand and why your department must purchase this product:

MityLite is the only dance floor manufacturer that builds / sells
magnattach dance floor panels with a triple locking system. They
hold the patent for that specific technology.

List at least one (1) unbiased third party who has verified the vendor's sole source status. Written statements should be attached to this form.

1. _____

2. _____

I hereby state that I have fully complied with the letter and intent of the City Code and exercised every reasonable precaution to procure the materials and supplies listed above at the very lowest possible price, consistent with good service and quality.

I also state that I have no personal or business relationship with the vendor(s) that would be considered a conflict of interest except as follows: _____

RE: Sole Source letter
Monday, September 11, 2023

To Whom It May Concern:

Mity-Lite Inc. is the sole source provider of the Mity-Lite Magnattach magnetic dance floor. The product is manufactured in our Orem, Utah factory and sold to our clients directly out of the same office in Utah.

As a result of our investment in innovation (design, principles and processes, techniques, tools, and protocols,) we have created a portfolio of intellectual property rights that include:

- Patents – Triple-lock system,
- Trademarks

We are the leader in durable lightweight furniture for these reasons. Our dance floor is unique in design and has a higher performance and durability than the industry standard.

Sincerely,

Dear Jamie Bowles,

InterVision Systems, LLC (InterVision) is pleased to respond to City of Charleston Information Technology Department RFP #2023-21 Cloud-Based Email Gateway.

InterVision's 30 year history is a story of evolution and technical innovation. In 1993, we opened our doors providing CAD solutions and consulting services then moved into datacenter and corporate IT networking, computing and storage. In recent years, we expanded services and solutions through strategic alignment and six acquisitions to develop a broad and robust portfolio of managed and cloud-based services. Today, we take a consultative approach to focus on your strategic vision first, and then map comprehensive solutions, services and support to every IT area to achieve your business outcomes.

InterVision is a leading Managed Services Provider focused on helping organizations transform their datacenter strategy, improve risk management, and gain a competitive advantage. We solve crucial IT challenges by delivering the right technology, deployed on the right premises, and managed through the right service model to fit a client's unique challenges. Our longstanding experience in the datacenter coupled with excellence in hardware, cloud, and data science means your long-term strategic vision can become your short-term reality.

InterVision's commitment to working with varied organizations has afforded us ample opportunities to gain experience with the specific requirements necessary to ensure projects are completed on time and on budget. We keep an open dialogue between our team and our clients' teams to support the needs of your organization. By understanding and adhering to project requirements, along with leveraging the decades of technical knowledge garnered by our experts, InterVision is the leader in delivering quality project management using team collaboration, honest communication, and accountability.

The breadth of our services portfolio is unmatched by even the largest IT integrators, backed with our team of expertly trained engineers with the highest-level technical certifications from leading IT vendors and service providers. Our project managers follow a well-defined methodology based on thousands of IT infrastructure deployments to ensure a successful outcome. With offices across the nation, including SOC 2 Type II compliant network (NOC) and security operations centers (SOC), our experts provide knowledgeable 24x7x365 assistance to you.

Bill No. 8014

Introduced in Council:

October 4, 2023

Introduced by:

Pat Jones

Adopted by Council:

Referred to:

**Municipal Planning Commission
Planning, Streets and Traffic**

Bill No. 8014 - A Bill amending the Zoning Ordinance of the City of Charleston, West Virginia, adopted January 1, 2006, as amended, by adding the definition of Digital Display Sign to Section 2-020, amending sections 24-050, 24-060, and deleting section 24-080-07 relating to authorizing the use of digital display signs.

Be it Ordained by the Council of the City of Charleston, West Virginia:

The Zoning Ordinance for the City of Charleston, West Virginia, effective January 1, 2006, is hereby amended as follows:

1) Sec. 2-20 Definition of Terms

Digital Display Sign: The portion of a sign message made up of internally illuminated components capable of changing the message periodically. Digital displays may include but are not limited to LCD, LED, or plasma displays.

~~**Public Assembly Area, Major.** Any stadium, gymnasium, auditorium or performance hall with fixed seating for 1800 or more people and designed and generally used for the purposes of attending, participating or observing programs or events open to the public.~~

2) Sec. 24-050 Prohibited Signs

The following signs shall be prohibited in all districts, except as otherwise noted herein:

- A. Signs which incorporate in any manner flashing or moving lights or any other visible moving or revolving part, attention attracting device, ~~except for time, temperature, or date signs.~~
- B. Banners, pennants, flags, spinners, or streamers, except as permitted in Sec. 24-070-03, Supplemental Regulations for Temporary Signs in Residential Districts, and Sec. 24-080-03 Supplemental Regulations for Temporary Signs Permitted in Commercial and Industrial Districts.
- C. Signs which obstruct or impair the vision of drivers or obstructs or detracts from the visibility of, or resembles, any traffic sign or traffic control device on a public street or road, by reason of size, shape, location, color, or illumination.
- D. Signs which make use of words such as "STOP", "LOOK", "DANGER", or other similar words, phrases, symbols, or characters in such a manner as

- to imply the need or requirement of stopping or the existence of danger.
- E. Sign which obstructs free ingress or egress for a door, window, fire escape, or other exit way required by the Building or Fire Code.
 - F. Portable signs.
 - G. Signs containing graphics or lettering illustrating specified sexual activities and/or specified anatomical areas, as defined within this ordinance.
 - H. Any sign which no longer advertises a bona fide business, activity, campaign, service or product, including real estate signs.
 - I. Any sign not in compliance with regulations involving highway interstate standards and specifications.
 - J. Roof signs.
 - K. Merchandise, equipment, products, vehicles, or other items not themselves for sale and placed for attention-getting, identification or advertising purposes.
 - L. Any sign erected on a tree or utility pole.
 - M. Any sign structure or frame no longer containing a sign.
 - N. Any sign that is structurally or electrically unsafe.
 - O. Temporary signs located in a public right-of-way.
 - ~~P. Digital, LED or similar signs, except for time, temperature, or date signs, except as permitted in Section 24-080-05.~~

3) **Sec. 24-060 General Sign Regulations**

- A. All signs shall comply with the provisions of Section 21-030, Safety and Vision.
- B. A pole sign shall not extend over a public right-of-way.
- C. A wall sign shall not extend above any roof line or further than twelve (12) inches from the building, or part of the building, to which the sign is attached.
- D. No shingle sign or marquee sign shall be lower than nine (9) feet above ground level.
- E. No sign shall be permitted to be erected unless the back of such structure is shielded from public view by a building, other structure, high planting, or another sign of the same size (where permitted), or unless such back is painted a neutral color or is enclosed in a solid metal backing that is treated or painted against corrosion.
- F. The painted portions of signs shall be periodically repainted and kept in good condition.
- G. The general area in the vicinity of a sign must be kept clear of weeds, debris, trash and other refuse by the property owner.
- H. The roofs of all marquees shall be properly guttered and connected by down spouts to a sewer so that the water there from will not drip or flow onto public property.
- I. The allowed square footage of window signs in zoning districts R-O and above shall not exceed 25% of the total square foot area of each window, or up to 50% of the total square foot area of each window if there are no wall signs on the premises. Window sign calculations shall include, but

not be limited to, informational signage such as hours of operation and open/closed signs.

J. Digital display signs shall be static and nonanimated and shall remain fixed for a minimum of 10 seconds. Messages must transition instantly, with no transition graphics. The luminance may not exceed 5,000 nits (candela per square meter) between sunrise and sunset or 250 nits during nighttime hours.

4) **Sec. 24-080-07 Supplemental Regulations for electronic reader boards in the Central Business District**

A. ~~Electronic message boards may be permitted in the Central Business District in lieu of a ground sign when accessory to a major public assembly area, provided the reader board displays:~~

- ~~1. On-site events only and does not advertise products; and~~
- ~~2. Motion or animation is limited to 10 seconds within any 60 second period.~~

B. ~~BZA #2095 authorized the Charleston Civic Center to erect two electronic reader boards. The signs shall be permitted to be replaced, provided that the signs are not removed for a period of more than 6 months and the height and area of the signs are not increased.~~

5) All prior ordinances or parts of ordinances, inconsistent with this ordinance are hereby repealed to the extent of such inconsistency.

Resolution No. 893-23

Introduced in Council:

October 2, 2023
