Dear Adam,

There are 11 IDF's throughout City Hall/PD and each IDF will be homeruns back to the MDF with OM-4 Fiber redundant links for 20 Gig bandwidth per switch. OM-5 fiber was considered, but at this time, OM-5 fiber only provides a slightly longer distance run for the same bandwidth with a much higher cost.

Dear Adam,

Phase 2 will be split into two parts 2A for City Hall and 2B for Police Department. Both phases will replace the core with two layer 3 switches in a collapse core tier at the MDF on 4th floor. There will be 19 switches replaced across the 11 IDF's that will utilize Phase 1 OM-4 fiber to provide 20 Gig speeds and redundancy back to the MDF. Phase 2A will be accomplished starting on a Friday after hours for City Hall and working through the weekend to install all 19 switches to minimize City Hall downtime. Phase 2B will take more care and planning to schedule downtime at the Police Department's least busy time and fall back to DRP while doing a similar approach to replacing all 19 switches with the planned downtime. Phase 2A and 2B would be spread out 2-4 weeks to allow for any issues to be resolved before moving forward to Phase 2B.

**MEMORANDUM OF UNDERSTANDING BETWEEN
THE CITY OF CHARLESTON AND WORLEY GROUP INC.**

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) made this ____ day of _____, 2023, by and between THE CITY OF CHARLESTON, a West Virginia municipal corporation (the “City”), party of the first part, and WORLEY GROUP INC., a Delaware corporation (“Worley”), party of the second part.

RECITALS

WHEREAS, Worley contacted the City regarding potential incentives for bringing more than 120 employees to the City as part of a lease of office space in downtown Charleston, to which the City and Worley negotiated a proposal whereby the City would provide free parking for certain employees for a period of 3 years upon confirmation of Worley entering a multi-year lease in downtown Charleston, and subject to City Council approval; and

WHEREAS, in light of the proposed free parking and for other reasons known to Worley, Worley has committed to a 7-year lease for office space in downtown Charleston; and

WHEREAS, the City and Worley voluntarily enter into this MOU, with the approval of City Council, which requires the City to provide up to 120 free parking spaces to Worley employees for a period of up to 3 years as further stated herein.

NOW, THEREFORE, WITNESSETH that in consideration of the mutual promises contained herein, the mutual benefits to be derived hereby by the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and Worley hereby agree as follows:

Section 1 – Three Years of Parking. The City hereby waives the monthly rental fee for up to one hundred twenty (120) parking spaces in its Parking Garage #2, located at 612 Washington Street East in Downtown Charleston, West Virginia shown in Exhibit A, for a period commencing on January 1, 2024, and ending on December 31, 2026 (“Parking Grace Period”). City shall ensure availability of the 120 spaces for Worley.

Section 2 – Additional or Future Parking. Any parking needed by Worley above the 120 spaces provided in Section 1 of this MOU or beyond the Parking Grace Period, shall be subject to the standard parking rates for the building where those spots are located at the time of use. The City and Worley may enter into a separate agreement for any excess spaces needed.

Section 3 – Individual Driver Requirement. In addition to this MOU, Worley agrees and understands that each individual driver will be required to complete the City’s standard parking agreement related to the use of the parking garage. The City will issue one hundred twenty (120) pre-programmed parking cards (one per parking space), which shall be used by Worley, its employees, contractors, guests, customers or authorized agents. The individual will complete the application and submit it to Worley before receiving an access card. Worley will place the access card number provided to the individual on the application and provide the completed application

to the City by the next business day. Worley understands that the pre-programmed parking cards are City property and any missing or replacement cards needed will require a \$10.00 per card replacement fee paid by Worley to the City. The City will, however, replace any damaged or broken cards at no charge.

Section 4 – Permitted Use. Worley shall use the parking garage and access cards for parking purposes and Worley shall be allowed parking overnight and for extended periods as needed by the business. No other use shall be permitted. Use shall be in full compliance with all federal, state, City of Charleston, and other applicable laws and regulations and the individual owners of all vehicles shall be liable for any failures of such compliance. Worley shall take commercially reasonable measures and precautions to prevent loitering in the parking garage, *provided* that Worley shall not be responsible for any costs associated with policing, lighting, cleaning or otherwise improving the parking garage in a manner that might reduce loitering.

Section 5 – Maintenance and Alteration. City shall maintain the parking garage in good order and condition, clean, safe, well-lit, accessible (including clearing ice and snow as needed) and with adequate entry and exit points with functioning surveillance cameras at every entrance and exit for vehicles or pedestrians to ensure the safety of people and vehicles. The City shall repair any damage to the parking garage at its sole expense, except with regard to: (1) damage caused by negligence of Worley, its agents, representatives, or employees and (2) damage caused by Worley, its agents, representatives, or employees as a result of its and/or their willful misconduct or negligence. Such damage, caused as a result of negligence and/or willful misconduct shall be repaired at the expense of Worley. Worley shall in no way alter, modify, or improve the parking garage, without the written consent of the City. In the event that any improvements are made to the parking garage, said improvements shall become part and parcel of the parking garage and shall remain upon and be the property of the City.

Section 6 – Liability Waiver and Indemnity. Worley hereby waives the City of any liability from claims, causes of action, and judgments for personal injury, loss of life, theft, or property damage suffered upon the parking garage by Worley's agents, representatives, or employees and Worley shall indemnify, defend, and save City harmless from all such claims, causes of action, and judgments for personal injury, loss of life or property damage suffered upon the parking garage by Worley's agents, representatives, or employees, except such as may be the result of the willful misconduct or grossly negligent acts or omissions of City or breach of City's obligations hereunder. Neither party shall be liable to the other for loss of product, loss of use, loss of business opportunity, loss of profit or anticipated profits or revenues, any form of business interruption loss, any punitive or exemplary damages, or any consequential, indirect or special losses or damages arising from any cause whatsoever, whether based in contract, tort (including negligence), warranty, strict liability or any other legal theory.

Section 7 – Liability Insurance. Worley shall keep in full force and effect throughout the term of the MOU, general public liability insurance against all claims, causes of action, and judgments for personal injury, loss of life or property damage suffered upon the parking garage to the extent of the liabilities assumed by Worley under this MOU. Said insurance policy shall provide coverage in an amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

Such insurance may be carried under a blanket policy covering the parking garage and other locations of Worley and shall name City as additional insured. Worley shall provide City certificate(s) of any insurance policy within sixty (60) days of execution of this MOU.

Section 8 – Default and Termination. If either party shall fail to perform its obligations herein described, the other party shall give written notice of such failure. Upon receipt of the notice, the defaulting party shall have a period of fifteen (15) days to perform as required. In the event that the defaulting party does not perform after fifteen (15) days, the other party may terminate the MOU.

Section 9 – Rights of Parties. Each and every provision of this MOU shall bind and inure to the benefit of the parties hereto, their legal representatives, devisees, heirs, successors and assigns.

Section 10 – Assignment and Subletting. Worley shall not sublet, assign or encumber this MOU and the parking rights contained herein without express written consent of the City.

Section 11 – Notice. All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been given at the time actually delivered and shall be presumed delivered three business days after deposited in the United States mails, certified or registered and postage prepaid, addressed to the parties as follows:

WHEREAS, the City of Charleston is a West Virginia Municipal Corporation organized and existing under the laws of the State of West Virginia and located in Kanawha County, West Virginia; and

WHEREAS, KVC is a West Virginia Non-Profit corporation with its principal offices located at 1015 Smith Street, Charleston WV 25301, and is a collaborative network dedicated to preventing and ending homelessness; and

WHEREAS, KVC and its participating members and organizations periodically operate warming and cooling centers in the City to provide warmth, shelter, clothing, and other supplies to individuals who may otherwise lack access to these safety measures and necessities; and

WHEREAS, these warming and cooling centers are critical to assist and protect homeless and other at-risk citizens within the City from dangerous and potentially life-threatening extreme temperature conditions during the coldest and hottest days and nights of the year; and

WHEREAS, in its current budget for Fiscal Year 2024, the City budgeted \$100,000 for contracted services through the CARE Office to allow financial assistance to the local organizations who operate these services; and

WHEREAS, the CARE Office and the City wish to utilize the budgeted contracted services funding by entering into this MOU with KVC to assist with the financial needs associated with operating these warming and cooling centers pursuant to the terms and conditions set forth below.

NOW, THEREFORE, for and in consideration of the mutual promises and covenants herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree as follows:

A. *Warming and Cooling Center Operations.* The City and KVC agree that KVC will organize and facilitate with its members and partner organizations warming centers in the City when forecasted temperatures are predicted to reach twenty degrees Fahrenheit or below, and cooling centers in the City when a heat advisory is issued by The National Weather Service. KVC may organize and facilitate warming centers when forecasted temperatures are predicted to be above twenty degrees Fahrenheit, or cooling centers when heat advisories have not been issued, but such services are not reimbursable under this MOU unless KVC obtains prior agreement with the City.

B. *Reimbursable Costs and Expenses.* The City and KVC agree that reimbursable costs and expenses will be limited to facility and staffing costs, food and beverages, blankets, clothing, and other necessary supplies. KVC agrees to use reasonable efforts to solicit donations of supplies when possible, and to ensure that it and the participating members and organizations exercise fiscal responsibility and only submit for reimbursement those items outlined above that are critical to the warming and cooling center purposes and operations.

C. *Communications.* KVC agrees to communicate to the City as early as reasonably possible the date, time, and locations of upcoming warming and cooling center operations.

D. *Reimbursement.* In order to reimburse KVC for the cost of operating and facilitating these warming and cooling centers, KVC agrees to provide a monthly invoice setting forth the date and location(s) of each warming or cooling center, along with itemized costs sought to be reimbursed, which may include those items set forth in Section B. The City will process invoices in a reasonable time upon receipt and provide reimbursement for the reasonable costs and expenses. The Parties acknowledge and agree that the total reimbursable costs and expenses during Fiscal Year 2024 shall not exceed \$100,000, and any costs and expenses above that amount will be borne entirely by KVC and/or its participating members and organizations. KVC expressly agrees that it will continue to operate and facilitate these centers if or when City funds are exhausted.

E. *Liability.* KVC shall indemnify, defend, and hold harmless the City from and against any and all liabilities, demands, losses, claims and damages of any kind whatsoever, whether on account of injury to or death of any person or persons, damage to or loss of property, violation of any law or regulation, breach of any of the provisions of this MOU, or otherwise arising out of or attributable directly or indirectly to the negligent or intentional acts or omissions of KVC, its employees, officers, and agents. The duty to indemnify and defend shall specifically extend to include any and all costs and expenses, including reasonable attorney's fees and expenses that may be incurred by the City in connection therewith.

F. *Amendments.* Any amendment to this MOU shall be made in writing and shall be executed by all Parties.

G. *Term.* This MOU shall take effect upon execution by the parties, and continue until terminated by agreement of the Parties, or as detailed in this MOU.

H. *Termination.* This MOU may be terminated at any time and for any reason by either party by providing ninety (90) days' written notice to the other. If either party terminates this MOU, KVC shall be entitled to reimbursement for all eligible warming and cooling center operations performed to the satisfaction of the City prior to the date of termination.

I. *Assignment.* Notwithstanding any provision of this MOU, no Party may assign or transfer any of the rights and privileges granted hereunder without the approval of the Parties hereto, which approval shall not be unreasonably withheld.

J. *Choice of Law, Dispute Resolution, and Venue.* This MOU shall be deemed to be executed in the City of Charleston, State of West Virginia, and shall be governed by the laws of the State of West Virginia. f. “Released Claims” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Released Conduct and/or Alleged Harms occurring prior to the Effective Date. Without limiting the foregoing, “Released Claims” include any Claims that have been asserted against the Released Entities by Releasors (whether judicial, arbitral, or administrative) based on, arising out of, or relating to, in whole or in part, the Released Conduct and/or Alleged Harms, or any such Claims that could be or could have been asserted, now or in the future, in those actions or in any comparable action or proceeding brought by Plaintiffs or Releasors. The Parties intend that “Released Claims” be interpreted broadly.

g. “Released Entities” means Masters Pharmaceutical, Inc., Masters Pharmaceutical, LLC, “River City Pharma,” River City Pharma, LLC and: (1) all of their past and present direct or indirect parents, subsidiaries, divisions, affiliates, predecessors, successors, and assigns (2) the past and present direct or indirect subsidiaries, divisions, affiliates, predecessors, successors, and assigns of any of the foregoing; and (3) the foregoing entities’ respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, employees, agents, representatives, insurers and attorneys (for actions that occurred during and related to their work for, or employment with, Masters).

h. “Releasors” means and includes each private or public Plaintiff and, as applicable, its employees, officers, parents, subsidiaries, shareholders, members, heirs and assigns, departments, agencies, divisions, boards, commissions, subdivisions, districts, corporations, courts, institutes, offices, instrumentalities of any kind, attorneys, and any entities over which such Plaintiff exercises governing, fiscal or budgetary authority or control, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing. Each Plaintiff also shall sign and deliver to Masters the Masters Settlement Participation Agreement (Exhibit C, hereto) providing for a release to the fullest extent of such Plaintiff’s authority or a file a dismissal with prejudice of any pending Action.

3. Settlement Amount. Within thirty (30) days after the Effective Date, Masters shall cause to be paid \$3,339,547.49 to Peter H. Weinberger, Liaison Counsel to the Plaintiffs’ Executive Committee (“Weinberger”) in the form of a check payable to the Spangenberg, Shibley, and Liber LLP IOLTA Account (“Trust Account”). Weinberger shall then allocate those funds to the Plaintiffs in accordance with a formula agreed upon by the Plaintiffs, and said amount shall be net

of the Common Benefit Surcharge to the MDL Common Benefit fund pursuant to Doc #4428 in MDL 2804 in the amount of 7.5% of the amount, to wit \$250,466.06, which shall be paid by Liaison Counsel for Plaintiffs. The Parties agree that, subject to all of the terms, conditions, recitals, and provisions of this Agreement, the Settlement Amount is a reasonable compromise of the matters in dispute. Plaintiffs shall provide a W-9 with respect to the above-mentioned payment at the time they provide a signed copy of this Agreement.

4. Settlement Amount Holdbacks and/or Additional Payments. The parties agree that in addition to the Settlement Amount described in paragraph 3, Masters shall cause its insurer, Federal Insurance Company (“Federal”) to make the following payments:

a. Within 30 days of the Effective Date \$100,000.00 will be paid to the trust account of Garvey Shearer Nordstrom to pay for Masters’ attorneys’ fees associated with work performed in furtherance of this settlement. After the payment of those attorneys’ fees, any remaining balance, if any, will be payable to Weinberger. Weinberger shall distribute those funds to Plaintiffs using the same formula (including Common Benefit surcharge) as described in paragraph 3.

b. Within 30 days of the Effective Date, \$200,000.00 will be paid to the trust account of Garvey Shearer Nordstrom to pay to defend and/or settle any Claim for Released Conduct asserted against Masters by any party not listed in Exhibit A prior to: (1) the date that is 60 days after all Plaintiffs on Exhibit A have submitted dismissals with prejudice and/or signed participation agreements; or (2) January 31, 2024, whichever is later (a “New Claim”). In the event any such New Claim is asserted, then Masters will use such funds to defend and/or settle all such New Claim(s). After the full and final resolution of any such New Claim, or if no New Claim is asserted, any remaining balance of such funds, if any, will be payable to Weinberger. Weinberger shall distribute those funds to Plaintiffs on Exhibit A using the same formula (including Common Benefit surcharge) as described in paragraph 3.

c. \$400,000.00 will be paid to Acuity Insurance Company in settlement of claims by Acuity Insurance Company in the action entitled *Acuity, a Mutual Insurance Company v. Federal Insurance Company and Masters Pharmaceutical, Inc.*, Case No. A 2300745 in the Court of Common Pleas, Hamilton County, Ohio (the “Acuity Action”) in accordance with the terms of a separate settlement agreement among the parties to the Acuity Action

d. Any funds distributed to Weinberger pursuant to this paragraph 4 shall be considered “Settlement Amounts.”

5. Nature of Payment. The Parties acknowledge and agree that, notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

a. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

b. For the avoidance of doubt: (1) no portion of the Settlement Amounts represents reimbursement to Plaintiffs or any Releasor for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (2) no portion of the Settlement Amounts represents the disgorgement of any allegedly ill-gotten gains, and (3) no portion of the Settlement Amounts is paid for or in place of any fine, penalty, punitive damages, or other punitive assessments.

6. Release.

a. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Plaintiffs (for themselves and the Releasors) hereby absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim and any Alleged Harms within Plaintiffs' territorial boundaries, and extend to the full extent of the power of Plaintiffs to release claims. This Agreement shall be a complete bar to any Released Claim.

b. *Sole Payment.* It is the intent of the Parties that:

(1) the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Alleged Harms and/or Released Conduct (or conduct that would be Released Conduct if engaged in by a Released Entity);

(2) Claims by Releasors against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

(3) the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

c. *General Release.* In connection with the releases provided for in this Agreement, each Plaintiff (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

d. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims and/or Alleged Harms, but each Plaintiff hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect each Plaintiff's decision to enter into this Agreement.

e. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement gives rise to under applicable law.

f. *Representation and Warranty.* Each Plaintiff expressly represents and warrants that it has authority to settle and release all Released Claims of Releasors.

g. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Amount or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Amount or any portion thereof.

h. Plaintiffs represent that, as of the Effective Date, and other than the Actions, they have not prepared or brought, and have no intention of preparing or bringing, any other case(s) or claim(s) against any Released Party.

i. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity, and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

7. Dismissal with Prejudice. Within fourteen (14) days after the execution of a Masters' Settlement Participation Agreement, each Plaintiff will dismiss its respective Action as to Masters with prejudice. To the extent necessary or useful, Masters will join Plaintiffs' submissions to effectuate the dismissals with prejudice of the Actions.

8. Expenses. Except as otherwise set forth in this Agreement, each Party shall bear its own costs (including but not limited to legal fees and expenses) incurred in connection with this Agreement and in prosecuting or defending the Actions. The dismissal with prejudice referred to

in Paragraph 7 above shall state that each Party is to bear its own costs, fees and expenses, including attorney fees.

9. No Admission. The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between Masters and all Releasers. Masters is entering into this Agreement solely for the purposes of settlement, to resolve each Action and all Released Claims and thereby avoid significant expense, inconvenience and uncertainty. Masters denies the allegations in the Actions and denies any civil or other liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by Masters of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Released Conduct, Alleged Harms, or any Product; (iv) the legal viability of the claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product.

10. Public Disclosure. After the Execution Date, this Settlement Agreement will be subject to public disclosure pursuant to public records laws, open meetings laws, and/or other laws or regulations that require disclosure to the public of information about Plaintiffs ("Public Disclosure Laws"). Nothing herein shall prevent any Party from disclosing the terms of this Settlement Agreement prior to the Execution Date (a) as required by law, or (b) to its actual or prospective attorneys, accountants, auditors, insurers, lenders, acquirers, investors, shareholders, or financial advisors.

11. Statements to the Press; No Solicitation of Publicity. No Party or attorney, agent or representative acting and communicating on behalf of any Party may make public statements that contradict provisions in this Settlement Agreement, including without limitation Paragraph 17 (Non-Admissibility). It is agreed that the Parties' private counsel shall not make any comments or statements to the press, issue any press release, convene any press conference or otherwise initiate publicity with the media, including but not limited to newspapers, publications, or other mass media, nor post to internet websites or any social media information concerning the terms of the Agreement.

12. Third-Party Beneficiaries. Nothing in this Agreement is intended to or shall confer upon any third party any legal or equitable right, benefit, or remedy of any nature whatsoever, other than the right of each Released Entity to use and enforce this Agreement as if it were a party hereto.

13. No Waiver. This Agreement is made without trial or adjudication of any issue of fact or law or finding of liability of any kind. No waiver of any breach, waiver of any failure of any condition, or waiver of any right or remedy contained in or granted by this Agreement shall be effective unless in writing and signed by the Party waiving the breach, failure, right, or remedy. No waiver of any breach, failure, right, or remedy shall be deemed a waiver of any other prior,

subsequent, or contemporaneous breach, failure, right, or remedy, whether or not similar; nor shall any waiver constitute a continuing waiver unless the writing so specifies.

14. Entire Agreement; Integration. This Agreement constitutes the entire understanding and agreement of the Parties with respect to the matters addressed herein. This Agreement supersedes any prior agreements or understandings, whether written or oral, between or among the Parties. No representations, warranties, covenants, or inducements have been made to any Party concerning this Agreement other than those contained herein. Each Party to this Agreement represents that it freely and voluntarily enters into this Agreement without any degree of duress or compulsion. No reliance was placed upon any representation other than those contained in this Agreement.

15. Construction. None of the Parties shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not affect the meaning of this Agreement.

16. No Prevailing Party. The Parties each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement.

17. Non-Admissibility. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (1) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (2) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage, provided that the characterizations in this Agreement of the alleged harms, claims, and conduct covered by the Agreement shall not be admissible against any insurer to show that the harms, claims, or conduct falls within the scope of the coverage grant or outside the scope of any exclusion in any insuring agreement; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Released Entity that the Settlement Amounts (including the Common Benefit Fund Holdbacks) provide a measure of compensation for Alleged Harms or otherwise satisfy the relief sought.

18. Amendment; Modification. This Agreement shall not be varied, modified or amended in any respect, except by a subsequent written agreement executed by all Parties through their authorized representatives.

19. Authority to Enter Agreement and Ownership of Released Claims. Each Party specifically represents and warrants that this Agreement constitutes a legal, valid, and binding obligation of such Party. Each signatory to this Agreement on behalf of a Party specifically represents and warrants that they have full authority to enter into this Agreement on behalf of such Party. Each Plaintiff for itself and its related Releasors specifically represent and warrant that they have concluded that the terms of this Agreement are fair, reasonable, adequate, and in the public interest, and that they have satisfied all conditions and taken all actions required by law in order to validly enter into this Agreement. Each Plaintiff for itself and its related Releasors further represent and warrant that (a) they are the owner and holder of the Released Claims; (b) they have not sold, assigned, conveyed, pledged, encumbered, or otherwise in any way transferred the Released Claims, or any portion thereof or rights related thereto, to any third party nor have they granted or shall they grant any license or other right that would conflict with the rights and obligations set forth herein; and (c) through this Agreement they have the power and authority to bind all persons and entities with an interest in the Released Claims.

20. Dispute Resolution. In the event of a dispute arising out of or relating to the Agreement, the Parties shall first seek settlement of that dispute by mediation before Jed Melnick (or another mediator if agreed by the Parties). If the dispute is not settled by mediation, the dispute shall be referred to and finally resolved by arbitration before Jed Melnick (or another single arbitrator if agreed by the Parties) under the AAA Commercial Rules and Mediation Procedures.

Bill No. 8018

Introduced in Council:

Adopted by Council:

Introduced by:

Referred to:

Bill No. 8018 - A BILL to amend the Municipal Code of the City of Charleston, as amended, by adding thereto a new section, designated Sec. 54-107, relating to creating a Charleston Fire Department sick leave pool for uniformed employees; vesting the Human Resources Department with the authority to administer the sick leave pool; setting forth certain eligibility criteria and requirements for utilizing and administering the sick leave pool; creating the CFD Sick Pool Eligibility Committee; and vesting the CFD Sick Pool Eligibility Committee with authority to make final decisions with respect to applicant eligibility for sick pool benefits.

WHEREAS, the Charleston WV Professional Firefighters IAFF Local 317 has operated a sick coverage pool for an unknown period of time wherein members cover shifts for eligible employees, but where such practice has hindered the ability of employees to obtain short-term disability benefits; and

WHEREAS, the Charleston WV Professional Firefighters IAFF Local 317, the Charleston Fire Department leadership, and the City of Charleston Human Resources Department agree that ceasing operation of the sick coverage pool and formalizing within the City of Charleston a sick pool for professional fire fighters is in the best interest of the City and the employees of the Charleston Fire Department; and

WHEREAS, the City Council for the City of Charleston believes that the Uniformed Fire Sick Leave Pool policy should be codified and authority for management of the pool should be vested in the City's Human Resources Department.

Now, therefore, be it ordained by the Council of the City of Charleston:

That the Municipal Code of the City of Charleston, as amended, is hereby amended by adding thereto a new section, designated Sec. 54-107, to read as follows:

CHAPTER 54. – FIRE PREVENTION AND PROTECTION.

ARTICLE II. – FIRE DEPARTMENT.

DIVISION 3. – VACATION, OTHER LEAVE, DUTY HOURS, AND CALCULATION OF OVERTIME PAY.

Sec. 54-107. – Uniformed Fire Sick Leave Pool.

35
36 (a) The purpose of the Uniformed Fire Sick Leave Pool is to allow a system
37 whereby qualified uniformed members of the Charleston Fire Department may
38 collectively insure against the extended use of any one member's individually
39 accumulated leave by creating a pool of leave that is for the mutual protection of
40 qualified members who suffer from prolonged illness, sickness, or convalescence from
41 injuries and are off duty for a prolonged period of time.

42
43 (b) There is hereby created the Uniformed Fire Sick Leave Pool for the purpose
44 described herein. The administration of the Pool is vested with the City of Charleston
45 Human Resources Department. The Human Resources Department shall supervise and
46 administer the contribution of time to the Pool and the use of time from the Pool. The
47 eligibility determinations are to be made by a committee of five people as set forth in
48 this section and known as the CFD Sick Pool Eligibility Committee. Decisions of the
49 CFD Sick Pool Eligibility Committee are final.

50
51 (c) To carry out the purposes of the Uniformed Fire Sick Leave Pool, an initial
52 amount of sick leave hours shall be deposited into the Pool, which shall not be less than
53 336 total hours and which shall consist of a required contribution of either 12 hours of
54 annual leave time or 12 hours of sick leave time per participating member, whichever is
55 the choice of said member as indicated on a form filed with the Human Resources
56 Department. Said form shall also indicate each member's decision to enter the
57 Uniformed Fire Sick Leave Pool and acceptance of the terms and conditions of
58 participation, including that a waiver of private health information must be given to the
59 CFD Sick Pool Eligibility Committee for the purpose of evaluating applications for Sick
60 Pool benefits. When the number of sick leave hours remaining in the Pool shall be less
61 than 336, each participating member of the Uniformed Fire Sick Leave Pool shall be
62 assessed a total of either 12 hours sick time or 12 hours annual leave time to replenish
63 the pool of hours, whichever is the choice of said member as indicated on a form filed
64 with the Human Resources Department.

65
66 (d) Qualifications. To participate in the Uniformed Fire Sick Leave Pool a member
67 must be a member of the Charleston Fire Department who has passed the Civil Service
68 examination, been selected by the Civil Service Commission and appointed by the
69 Mayor of Charleston to the Charleston Fire Department, and served one full year as a
70 member of the Charleston Fire Department. In addition, a member shall have
71 accumulated 96 hours of sick leave in order to be eligible to join the Pool and shall be
72 enrolled in the short-term disability benefits offered by the City. Each qualified member
73 shall receive notice of such qualification from the Human Resources Department and
74 the qualified member may choose whether to join the Uniformed Fire Sick Leave Pool.
75 In order to join the Pool, the member shall make an initial contribution of a total of either
76 12 hours of annual leave time or 12 hours of sick leave time, whichever is the choice of
77 said member, and any other contribution required by this Section.

78
79 (e) The operation and use of the Uniformed Fire Sick Leave Pool as herein
80 provided shall be as follows:

81 (1) Formal application to benefit from the Uniformed Fire Sick Leave Pool by a
82 qualified member of the Pool shall be made to the CFD Sick Pool Eligibility Committee.
83 The application shall set forth in full the reason for their absence from duty with the
84 Charleston Fire Department and their eligibility to draw from the pool of sick leave
85 hours. The application shall include a waiver of private health information authorizing
86 the CFD Sick Pool Eligibility Committee to obtain and review health care records for the
87 purpose of evaluating applications for Sick Pool benefits. The final determination on
88 eligibility, pursuant to this Section, shall be made by the CFD Sick Pool Eligibility
89 Committee, which shall notify the Human Resources Director, prior to the member being
90 allowed to draw from the Pool. A uniformed member who seeks to improperly receive
91 the benefits of the Pool shall be subject to discipline consistent with all Civil Service
92 laws of the State.

93 (2) No member shall be eligible to draw days from the Pool until such member
94 shall have used a minimum of 96 hours of consecutive sick time from their individually
95 accrued sick hours. In the event the member does not have 96 accrued sick leave
96 hours, they may use their accrued sick leave hours and additional annual leave hours to
97 total 96 hours, or all their accrued sick leave hours and all of their annual leave hours,
98 and time unpaid, to total 96 duty hours.

99 (3) The member's absence from duty must be by reason of illness, sickness, or
100 convalescence from injuries sustained, except such injuries as they may sustain while
101 they are off-duty and a participant in some form of professional sport as is deemed
102 hazardous by recognized uniform regulations of insurance companies. The Pool may
103 not be used to care for a family member.

104 (4) In event the CFD Sick Pool Eligibility Committee approves the application and
105 finds said applicant is eligible to receive sick hours from the Pool, they shall be limited to
106 30 days from the day such member began missing work, which would allow for the
107 member to apply for short-term disability benefits. It is estimated that getting a member
108 to this point would require up to 144 hours from the Pool. Once a member has reached
109 this point, they are no longer eligible for use of the Pool and will instead rely on their
110 short-term disability benefits.

111 (5) While drawing hours from the Pool, a member shall not accrue additional
112 vacation and sick hours and any such earned hours will be deposited to the Pool, not
113 kept by the member.

114
115 (f) Requirements and provisions pertaining to subsequent membership in the
116 Pool and resignation and/or termination of membership in the Pool are as follows:

117 (1) Any uniformed member of the Charleston Fire Department who is eligible to
118 be a member of the Uniformed Fire Sick Leave Pool but did not become a member at
119 the time of their initial eligibility may join the Pool by submitting an application form to
120 the Human Resources Department. Members who join the Pool shall be required to
121 contribute a sufficient number of sick hours, annual leave hours, or both, equal to the
122 number that would have made them a member of the Pool had they chosen to
123 participate at the time of their initial eligibility and had remained eligible by contributing
124 to the replenishing of the pool as thereafter required.

125 (2) A member of the Pool may discontinue their membership therein by giving
126 proper written notice to the Human Resources Director and the CFD Sick Pool Eligibility

Committee. However, any hours they have theretofore contributed to the Pool shall not be refunded or transferred back to their individual accumulated hours.

(3) Any member of the Pool who discontinues their duty with the Charleston Fire Department by reason of retirement, resignation, or permanent dismissal shall—immediately upon such discontinuance of employment—be ineligible to draw hours from the Pool. Any hours they have theretofore contributed to the Pool shall not be refunded or transferred back to their individual accumulated hours.

(4) Any member of the Pool who discontinues their duty with the Charleston Fire Department by reason of granted leave of absence or temporary suspension from duty resulting in reinstatement shall from the date of such discontinuance of duties be ineligible to draw hours from the sick leave pool, and in the event such member resumes duty with the Charleston Fire Department, they shall be eligible as a member of said pool only upon contributing to the pool such number of hours as shall have been required to replenish the pool during the period of their absence from duty.

(5) Any member of the pool resigning or leaving the Charleston Fire Department by any reason which results in their reinstatement as provided by the Civil Service Laws of the State shall not be eligible to rejoin the pool until they have served one full year from date of their reappointment or resumption of duties.

(g) (1) The CFD Sick Pool Eligibility Committee consists of five individuals, as follows: the Mayor of the City of Charleston or the Mayor's designee, the Fire Chief of the City of Charleston or the Fire Chief's designee, and three members of the Charleston Fire Department elected by the members and certified to the City Clerk. Elected members of the Pool serve for staggered terms of three years where a member is elected to the Pool each year. The result of each election shall be certified to the City Clerk, which the Clerk shall provide to City Council as a report of officers.

Bill No. 8019 - A BILL enacting a special ordinance of the City of Charleston authorizing the City Manager or Mayor to enter into contracts with the West Virginia Department of Transportation, Division of Highways relating to Governor Jim Justice's and Secretary of Transportation/Commissioner of Highways Jimmy Wriston's use of Infrastructure and Investment Jobs Act funding on Non State-owned bridges.

WHEREAS, the State of West Virginia through the West Virginia Department of Transportation, Division of Highways ("WVDOH"), has proposed to spend Infrastructure and Investment Jobs Act ("IIJA") dollars to rehabilitate or replace bridges owned by municipalities and counties throughout the State; and

WHEREAS, the WVDOH has proposed contracts with the City of Charleston for the rehabilitation or replacement of ten bridges with IIJA dollars, namely: the South Side Bridge, the South Side Bridge/CSX Ramp, the Kanawha Boulevard Bridge, the Virginia Street Bridge, the Quarrier Street Bridge, the Spring Street Bridge, the Loudon Heights Bridge at Olson Road, the Scraggs Drive Bridge, the School Street Bridge, and the Farnsworth Drive Bridge (collectively, the "City Bridges"); and

WHEREAS, the WVDOH proposes to cover all costs associated with the design, plans, any necessary property acquisition, any necessary utility relocation, bidding of project, management of the projects, construction costs associated with the projects, and all payments to consultants and contractors that are part of the projects; and

WHEREAS, the City Bridges will remain in the name of the City and the ongoing maintenance, repair, and upkeep of the bridges shall remain the responsibility of the City of Charleston upon completion of the projects; and

WHEREAS, while the contracts do not require any direct monetary match from the City of Charleston, each contract does require that the City of Charleston agree that the Business and Occupation tax will not be levied against WVDOH contractors regarding gross receipts from construction of each project; and

WHEREAS, the City Council for the City of Charleston hereby finds that entering into the contracts with WVDOH for the work on the City Bridges and thereby providing for a one-time waiver of the Business and Occupation tax upon the WVDOH contractors

36 regarding the construction of each project in lieu of a matching funds requirement is in
37 the best interest of the City of Charleston, its residents, businesses, and visitors.
38

39 **Now, therefore, be it ordained by the Council of the City of Charleston:**
40

41 Section 1. That the City Manager or Mayor is authorized to enter into contracts with
42 the West Virginia Department of Transportation, Division of Highways relating to
43 Governor Jim Justice's and Secretary of Transportation/Commissioner of Highways
44 Jimmy Wriston's use of Infrastructure and Investment Jobs Act funding on the City
45 Bridges, an example of which is attached hereto as Exhibit A.
46

47 Section 2. That the City Council acknowledges that a requirement of these contracts
48 is that the City will not levy Business and Occupation tax against the WVDOH
49 contractors regarding the construction of each project on the City Bridges and the City
50 Council hereby specifically accepts that provision in each contract.
51

52 Section 3. That solely for the purpose of these contracts where the WVDOH is
53 paying all costs associated with the design, plans, any necessary property acquisition,
54 any necessary utility relocation, bidding of project, management of the projects,
55 construction costs associated with the projects, and all payments to consultants and
56 contractors that are part of the projects to rehabilitate or replace the City Bridges, in lieu
57 of any matching funds requirement from the City of Charleston, the City Council hereby
58 declares that the provisions of Section 110-56 of the Municipal Code of the City of
59 Charleston shall not apply to the WVDOH contractors and subcontractors regarding
60 gross receipts from the construction of each project on the City Bridges, thereby
61 eliminating the requirement for those WVDOH contractors and subcontractors to pay
62 the two percent Business and Occupation tax on such income from the construction of
63 these projects on the City Bridges. These WVDOH contractors and subcontractors shall
64 still report the gross income from the projects but the income from these specific
65 projects will be taxed at a zero percent rate.
66

67 Section 4. This Ordinance is adopted at the specific request of the WVDOH in lieu of
68 a matching contribution from the City of Charleston and it shall have no other impact on
69 the application of the Business and Occupation tax. The provisions of Section 110-56 of
70 the Municipal Code of the City of Charleston shall remain in full force and effect to be
71 applied consistently to all contractors engaged in business within the City except as
72 stated herein.
