Any withdrawals from the respective Reserve Accounts which result in a reduction in the balance therein to below the applicable reserve requirement shall be subsequently restored from the first Net Revenues available after all required payments to the respective Sinking Funds for payment of debt service on the Series 2025 Bonds have been made in full.

As and when additional Bonds ranking on a parity with the Series 2025 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The City shall not be required to make any further payments into the Series 2025 A Bonds Sinking Fund or into the Series 2025 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2025 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds and the Series 2025 Bonds and thereafter, with respect to the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

Section 4.06. Investments. Any moneys held as a part of the funds and accounts created by this Ordinance, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the City in any Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the Prior Ordinances, the need for such moneys for the purposes set forth herein and the specified restrictions and provisions set forth in this Section 4.06.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount. The Commission, the Depository Bank or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss of such liquidation. The Depository Bank or such other bank or national banking association may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2025 Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The City, through the Board, shall, or shall cause the Bond Commission to, annually transfer from the Series 2025 Bonds Reserve Account, during construction to the Construction Fund and thereafter to the Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2025 Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 2025 Bonds Reserve Account an amount at least equal to the Reserve Requirement for the Series 2025 Bonds as set forth in the Supplemental Resolution.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2025 Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2025 Bonds Reserve Account shall, at any time, be less than the applicable Series 2025 Bonds Reserve Requirement, the Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2025 Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2025 Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

ARTICLE V
DEFAULT AND REMEDIES

Section 5.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2025 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2025 Bonds; or

(2) If default occurs in the City's observance of any of the covenants, agreements or conditions on its part relating to the Series 2025 Bonds set forth in this Ordinance, any supplemental resolution or in the Series 2025 Bonds, and such default shall have continued for a period of 30 days after the City shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Registered Owner of a Bond; or

(3) If the City files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If an Event of Default occurs with respect to the Prior Bonds or the Prior Ordinances.

<u>Section 5.02</u>. <u>Remedies</u>. Upon the happening and continuance of any Event of Default, any Registered Owner of a Series 2025 Bond or any Bond Insurer if the Series 2025 Bonds are insured may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the City to perform its duties under the Act and the Ordinance relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2025 Bonds; (iv) by action at law or bill in equity require the City to account as if it were the trustee of an express trust for the Registered Owners of the Series 2025 Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Ordinance with respect to the Series 2025 Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2025 Bonds shall be on a parity with those of the Registered Owners of the First Lien Bonds and senior and prior to those of the Registered Owners of the Second Lien Bonds.

<u>Section 5.03</u>. <u>Appointment of Receiver</u>. Any Registered Owner of a Series 2025 Bond or any Bond Insurer if the Series 2025 Bonds are insured may, by proper legal action, compel the performance of the duties of the City under the Ordinance and the Act, including, the completion of the Project and the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to the Series 2025 Bonds, any Registered Owner of a Series 2025 Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the City, with the power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Series 2025 Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the City exercise all the rights and powers of the City with respect to said facilities as the City itself might exercise.

Whenever all that is due upon the Series 2025 Bonds and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the City upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the City and for the joint protection and benefit of the City and Registered Owners of the Series 2025 Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the City and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Ordinance, and the title to and ownership of the System shall remain in the City, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE VI
ADDITIONAL COVENANTS OF THE CITY

All the covenants, agreements and provisions of the Prior Ordinances shall remain in full force and effect as long as the Prior Bonds and the Series 2025 Bonds are outstanding and shall apply to the Series 2025 Bonds as if fully set out herein. The following covenants are supplemental and in addition to the covenants set forth in the Prior Ordinances

Section 6.01. Bonds not to be Indebtedness of the City. The Series 2025 Bonds shall not be nor constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2025 Bonds shall ever have the right to compel the exercise of the taxing power of the City to pay the Series 2025 Bonds or the interest thereon.

Section 6.02. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payments required by the Series 2025 Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien of such Net Revenues in favor of the Holders of the First Lien Bonds and senior to the lien of the Second Lien Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2025 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 6.03. Initial Schedule of Rates and Charges. The City has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the City of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the City shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the City duly enacted on November 16, 2015, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2025 Bonds are outstanding, the City covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2025 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the City hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

The City shall diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The City further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, if so owned by the City, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the City, the City will, to the extent allowed by law, use diligent efforts to enter into a termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.04. Sale of the System. So long as the Series 2025 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2025 Bonds, immediately be remitted to the Commission for deposit in the Renewal and Replacement Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the City shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2025 Bonds. Any balance remaining after the payment of the Series 2025 Bonds and interest, if any, thereon shall be remitted to the City by the Commission unless necessary for the payment of other obligations of the City payable out of the revenues of the System.

The foregoing provision notwithstanding, the City shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the City shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the City shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the City if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The City shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.05. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 6.05 and Section 6.06 hereof, the City shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2025 Bonds. All obligations issued by the City after the issuance of the Series 2025 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2025 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the City shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2025 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2025 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The City shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 6.06. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2025 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2025 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the City, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the City, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The City shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2025 Bonds on such revenues. The City shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2025 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the City then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 6.07. Books; Records and Audit. The City shall keep complete and accurate records of the cost of the Project. The City shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The City shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The City shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of the Project, or, at any reasonable time following commencement of the Project.

The City will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the City relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the City hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2025 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2025 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2025 Bonds Reserve Account and the reserve accounts for obligations on a parity with or junior to the Series 2025 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2025 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2025 Bonds, including the Prior Bonds. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the City shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The City shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP and the Authority and to any Holder of any Bonds, or anyone acting for and on behalf of such Holder of any Bonds.

Such engineer shall certify to the Infrastructure Council, the Authority and the City at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The City shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Bond Purchase Agreement before the Project is 50% complete.

Section 6.11. No Competing Franchise. Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The City further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of any system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water or sewer facilities are not owned by the City, the City shall enter into a termination agreement with the water and sewer providers, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.13. No Free Services. Except as required by law, the City will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the City, or any department, agency, instrumentality, officer or employee of the City shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the City and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

The City shall verify such bonds prior to commencement of construction.

Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the PSC, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the City and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Completion and Operation of Project; Permits and Orders. The City will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards. The City shall take all steps to properly operate and maintain the System and make the necessary replacements due to normal wear and tear so long as the Series 2025 Bonds are outstanding. All property interests constituting the Project and Project site shall at all times be and remain property of the City.

The City has obtained all permits required by State and federal laws for the acquisition and construction of the Project and all orders and approvals required by State law and the Council necessary for acquisition and construction of the Project, the operation of the System and all approvals for issuance of the Series 2025 Bonds required by State law, with all requisite appeal periods having expired without successful appeal and the City shall provide an opinion of counsel to such effect.

The City shall perform an annual maintenance audit which maintenance audit shall be submitted to the Authority and the Public Service Commission of West Virginia.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2025 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2025 Bonds and shall be on a parity with the First Lien Bonds and senior to the lien of the Second Lien Bonds.

Section 6.18. Compliance With Bond Purchase Agreement and Law. The City hereby covenants and agrees to perform, satisfy and comply with all terms, conditions and requirements of the Bond Purchase Agreement and all applicable laws, rules and regulations issued by the Authority, or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

Section 6.19. Tax Covenants. The City hereby further covenants and agrees as follows:

A. PUBLIC PURPOSE BONDS. The City shall use the Series 2025 Bond proceeds solely for the Project and as otherwise set forth herein, and the Project will be operated solely as a public purpose and as local governmental activity of the City.

B. PRIVATE ACTIVITY BOND COVENANT. The City shall not permit at any time or times any of the proceeds of the Series 2025 Bonds or any other funds of the City to be used directly or indirectly in a manner which would result in the exclusion of the Series 2025 Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Series 2025 Bonds as "private activity bonds" within the meaning of the Code. The City will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Series 2025 Bonds.

C. PRIVATE BUSINESS USE LIMITATION. The City shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2025 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2025 Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2025 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2025 Bonds during the terms thereof is, under the terms of such Series 2025 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2025 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2025 Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

D. PRIVATE LOAN LIMITATION. The City shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2025 Bonds or $5,000,000 is used, directly or indirectly, to make or finance a loan (other than loan constituting Nonpurpose Investments) to persons other than state or local government units.

E. FEDERAL GUARANTEE PROHIBITION. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2025 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

F. INFORMATION RETURN. The City shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2025 Bonds, and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

G. FURTHER ACTIONS. The City shall take any and all actions that may be required of it (including those deemed necessary by the Authority) so that the interest on the Series 2025 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including those deemed necessary by the Authority) which would adversely affect such exclusion.

Section 6.20. Rebate Covenant. The City is a governmental unit with general taxing powers to finance operations of or facilities of the nature of the Project and the System. As covenanted above, the Series 2025 Bonds are not private activity bonds within the meaning of the Code, and ninety-five percent (95%) or more of the net proceeds (as defined in the Code) of the Series 2025 Bonds will be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City). The City reasonably expects to expend the proceeds of the Series 2025 Bonds within the time period that would provide an exception from the rebate requirements of Section 148(f) of the Code. Notwithstanding the foregoing, if the City is in fact subject to such rebate requirements, the City hereby covenants to rebate to the United States the amounts required by the Code and to take all steps necessary to make such rebates. In the event the City fails to make such rebates as required, the City shall pay any and all penalties and obtain a waiver from the Internal Revenue Service in order to maintain the tax-exempt status of interest on the Series 2025 Bonds.

Section 6.21. Arbitrage. The City covenants that (i) it will restrict the use of the proceeds of the Series 2016 A Bonds in such manner and to such extent as may be necessary, so that such Series 2025 Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2025 Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.22. Tax Certificate and Rebate. The City shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Series 2025 Bonds. In addition, the City covenants to comply with all Regulations from time to time in effect and applicable to the Series 2025 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The City shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the City or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The City shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the City to be used for any lawful purpose of the System. The City shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the City shall assure that such payments are made by the City to the United States, on a timely basis, from any funds lawfully available therefor. The City at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the City may deem appropriate in order to assure compliance with this Section 6.11. The City shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 6.11 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the City fails to make such rebates as required, the City shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2025 Bonds from gross income for federal income tax purposes.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the City, at least once each year (or more often if reasonably requested by the City), a summary of such funds, accounts and investment earnings. The City shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2025 Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2025 Bonds from gross income for federal income tax purposes.

The City shall submit to the Authority, if it is the Original Purchaser, within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the City qualifies for the small governmental issue exception to rebate or any other exception therefrom, then the City shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2025 Bonds subject to rebate. The City shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2025 Bonds (as such term "gross proceeds" is defined in the Code).

Section 6.23. Securities Laws Compliance. If required by the Supplemental Resolution the City will provide the Original Purchaser, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Original Purchaser may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240). The City will also deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as amended from time to time.

Section 6.24. Defeasance of Bonds. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Registered Owners of the Series 2025 Bonds, the principal thereof, and redemption premium, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then the pledge of Net Revenues and any other moneys and securities pledged under this Ordinance and all covenants, agreements and other obligations of the City to the Registered Owners shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 2025 Bonds from gross income for federal income tax purposes.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Series 2025 Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2025 Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2025 Bonds on and prior to the maturity date thereof, or if the City irrevocably determines to redeem any of said Series 2025 Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2025 Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Series 2025 Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the City as received by the Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities means and include only Government Obligations or such additional securities as shall be set forth in the Supplemental Resolution.

Section 6.25. Contracts. The City shall, simultaneously with the delivery of the Series 2025 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

Section 6.26. Continuing Disclosure Agreement. If required by the Supplemental Resolution, the City shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the City hereby instructs the Mayor and Sanitary Board to take all actions necessary for the City to comply with the continuing disclosure agreement and to make the filings with EMMA.
