A request from a resident on Beverly Dr. to add a “NO PARKING IN TURNAROUND” sign at a turn around on Beverly Dr. Her name is Jackie Carden, 304-542-9475. She has stated there is nefarious activity happening here. I have already been in contact with Chad Robinson, and he is in favor of the sign being added. I have included some pictures to show the location. This is a low-volume, low-capacity dead end road and only should impact a small number of residents. “NO PARKING IN TURNAROUND” is already in code so we only need committee approval for implementation. Thanks.

The need for handicap parking on the 100 block of Leon Sullivan way. There were no handicapped spots in this area. The need to be ADA compliant is also an issue. Matt said an ADA space is two feet longer than traditional parking spaces.
